14 Color me an event. Every day is something new; but sometimes days are more memorable than others. Whether it was the fun of Homecoming, the reality of a filled auditorium awaiting the opening of "Finian's Rainbow," or the familiar strains of "Pomp and Circumstance" at graduation, 1983 Larkin events were memorable. Moments of these events are covered on the following pages.

44 Color me academic. The main objective of school is academic excellence. Each day, challenge was present in my classes; whether I accepted that challenge was my choice. But for 185 days, assignments were given, handed in, and graded; and four times during the year, the day of reckoning came when final grades were given.

64

Color me a participant. Outside interest groups were as varied as students' interests. Because there were over 900 new incoming sophomores and freshmen, the thrusts of several of these clubs changed with the membership; also new groups were added to the list of extra-curricular activities. Whether I was interested in skiing or lay out design, there was an opening for me somewhere on the long list of activities.

Color me involved. I had a choice — to be involved in a sport or to be merely an onlooker. Many of us chose the exuberance of victory, the disillusionment of defeat, and the responsibility of assignments not part of the daily homework load. Many of us emerged from these experiences filled with memories, friendships, and a new competitive spirit.

86

Color me one of 2,017. On any given day in 1983, there were 1,850 students, 123 teachers, 4 deans assistants, 16 cooks, 3 janitors, 16 secretaries, and 5 administrative personnel; I was one of them. Never did I know all of them, but they were all a part of my life in either some remote or distinctive way. On the following pages is a panorama of faces that passed through my life as we intermingled at 1475 Larkin Avenue.

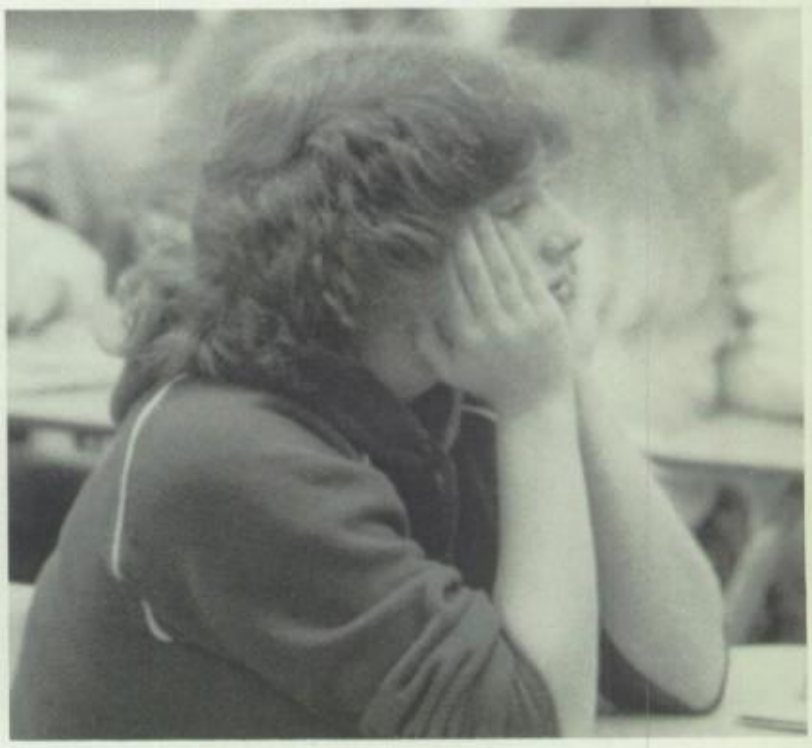
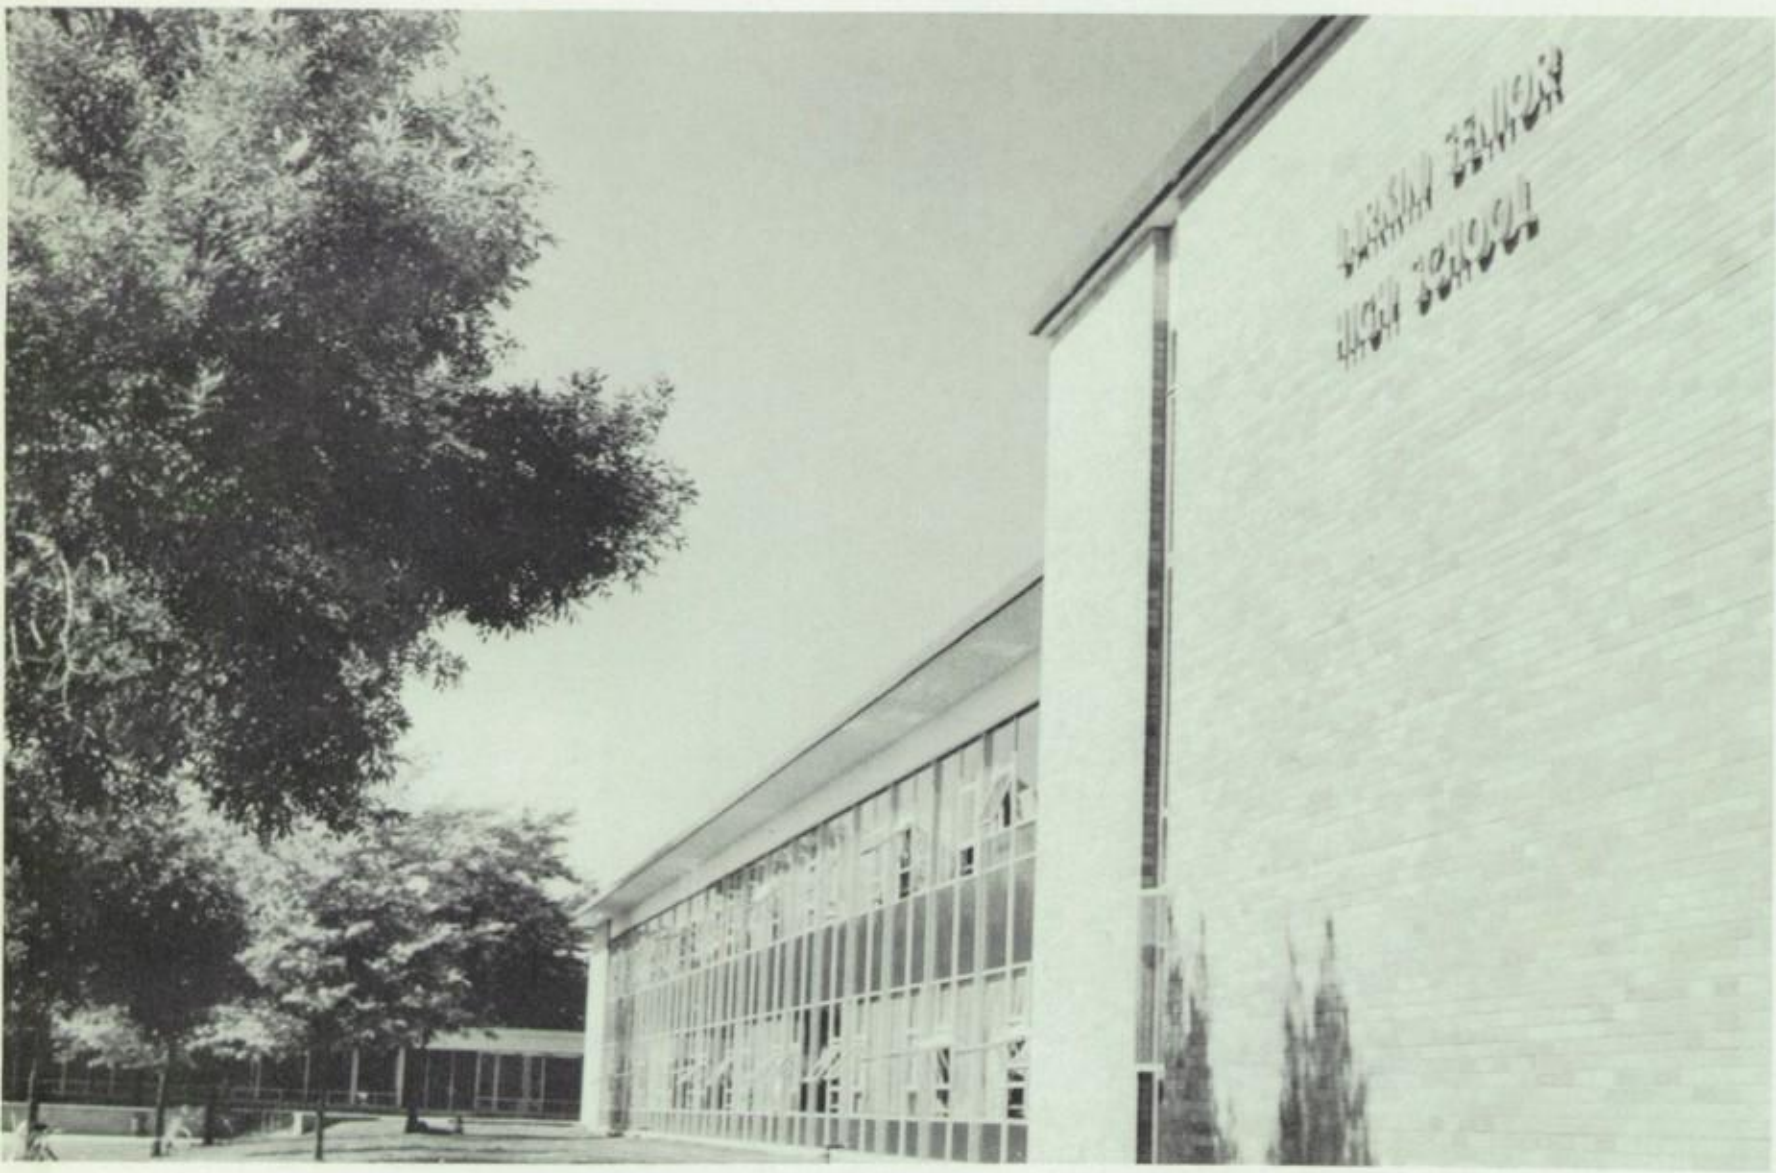
# MONDAY BLUES AND FRIDAY FROLICS

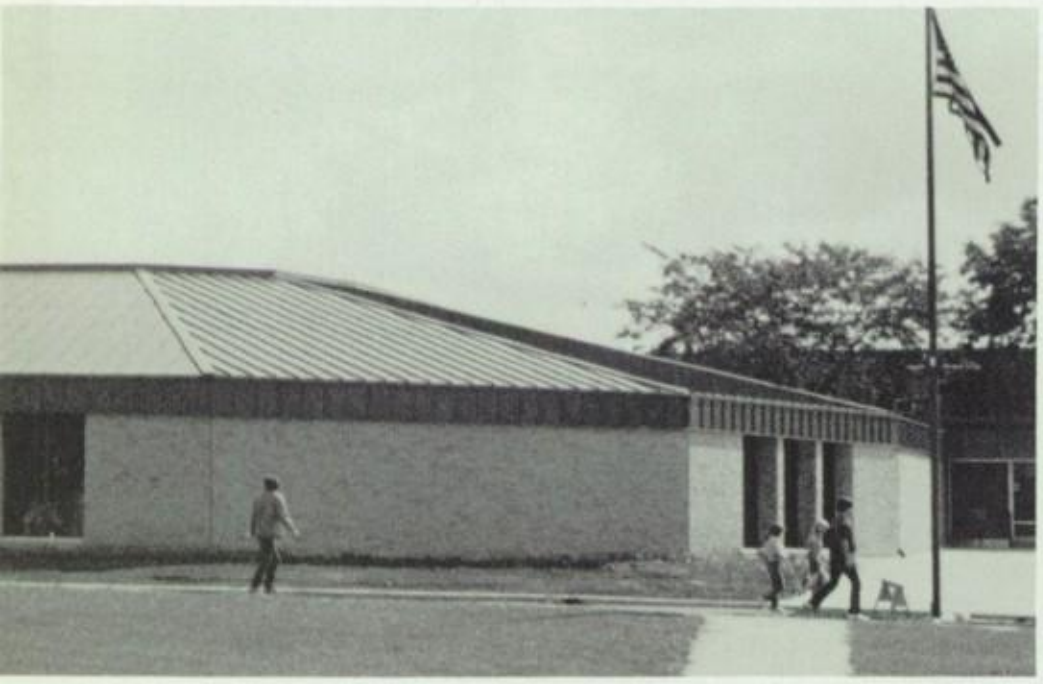
Ever hear the old adage "Monday Blues" and "Friday Frolics"? Well, we have, and think it holds some truth. After all, haven't you ever dragged yourself up on a Monday morning to face what seems to be another boring week, or rejoiced at the final bell on Friday afternoon? Oftentimes our moods are determined by the weekends. These pages illustrate some of the moods we've seen.



# COMMUNITY INVOLVEMENT

As always, Larkin students have played an important role in the community. Our many organizations, especially Student Government, HERO Club, and the Madrigal singers, attend or perform at many community activities throughout the year. We thank Elgin for allowing us to participate in its various functions and allowing us to grow through involvement.

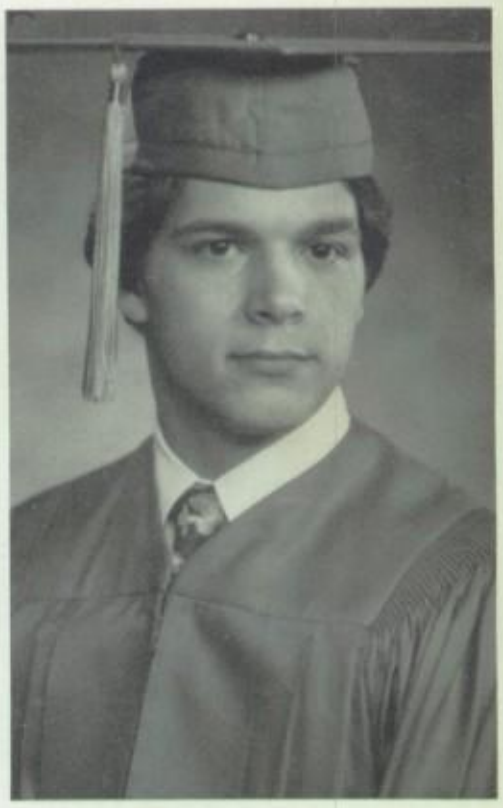




# OUR MEMORIES

Our memories from the Cerulean staff of the past year are both happy and sad, funny and serious. We have illustrated some of them here, and left the facing page for you to add your own.

Our best friend.



The person we most admire.

Our happiest moment.

# LARKIN REINSTATES DRESS CODE

Dear Abby,

This morning as I walked through the halls at school, I noticed that a select number of students do not know how to dress. This, however, did not bother me until I realized that it wasn't just students, but faculty members as well. Who would think that at such a mildmannered school, (high school, no less) there would be such atrocities? What should I do, Abby; this is getting out of hand! All my friends are being influenced by these fashion-unconscious people. Have we no more respect for the alligator? What is this world coming to? Help, Abby; if anyone can, you can.

# A GOOD LAUGH

Good times, friendships, and lots of laughs make high school days great memories. Although trudging through each day may seem boring, inconsequential, and just generally not worth the effort, events, involvement, and social interaction can make "wearing a smile" an easy thing to do.

# FRESHMEN ARE PEOPLE, TOO

The 1982-83 school year heralded many changes, including school renovation and, yes, "them". Also known as Freshmen, these students represented the first class in our new four-year high school. Although they missed their chance to be top-of-the-line in Junior High, our Freshmen generally liked it better here, and felt honored to be here amongst us. In all, although we may not always show it, we're proud of you guys, and glad you like it here at "the big school".

# FADS

Every year has its idiosyncrasies, and this one was no exception. To display our individuality, we expressed ourselves with the clothes we wore, the way we talked, and our pastimes. The different types of clothing ranged from Peter Pan boots to ruffled blouses, pin-striped jeans to big, colorful earrings. Moon Unit Zappa introduced us to 'Valspeak', which we heard often in the halls, either satirically or seriously. Video games became our favorite pastime, Pac Man leading the way. Legwarmers became popular too. Fads usually fade as quickly as they catch on; and when we look back on these, the nostalgia of this past year will be part of our LHS days.

# SPIRIT WEEK AND HOMECOMING

Spirit Week was certainly a fitting beginning for Homecoming. The week included the always popular sweats day, and also a toga day. One of the "oddest" days was oddball day. On Thursday night many people showed up at Memorial Field for a bonfire where a great time was had by all.

Toilet paper streaming from the trees heralded the arrival of Homecoming. People came to school dressed in blue and white and full of spirit for the day. Finishing touches were put on the floats constructed under the theme of "Games." At the end of the afternoon classes, everyone went down to the gym for a fantastic Homecoming assembly led by Ms. Gannon. Some of the fun included the contest for the spirit stick won by the freshmen, and routines by the cheerleaders and the poms, including the "Pac Man"

routine. Afterward, we all headed out for the Homecoming Parade downtown to Elgin High. Though slightly damp, the parade went off well. That evening, we went to Memorial Field and watched the Larkin Varsity team defeat West Aurora 13 to 7. Saturday evening the festivities were wrapped up with everyone dancing to the music of "Surrender" in the commons. Homecoming is truly one of the most spirited and enjoyable times of the year.

# HOMECOMING COURT 1982

Twelve seniors had the honor this year to be voted by us, their peers, as the Homecoming Court. We all felt they were the best representatives of our class. Last year's king, Tom Schroeder, crowned our queen, Kathy Towe, and king Ron Harris. We all felt very proud of them, and are pleased with our choice.

"Being Homecoming Queen is every girl's dream. Although the week before was spent preparing for the parade, game, and dance, it was very exciting and a lot of fun. It was a surprise to be chosen, but most of all, it was a great honor to be able represent my school. It is an experience I know I will never forget."

# HALLOWEEN IS FOR BIG KIDS, TOO

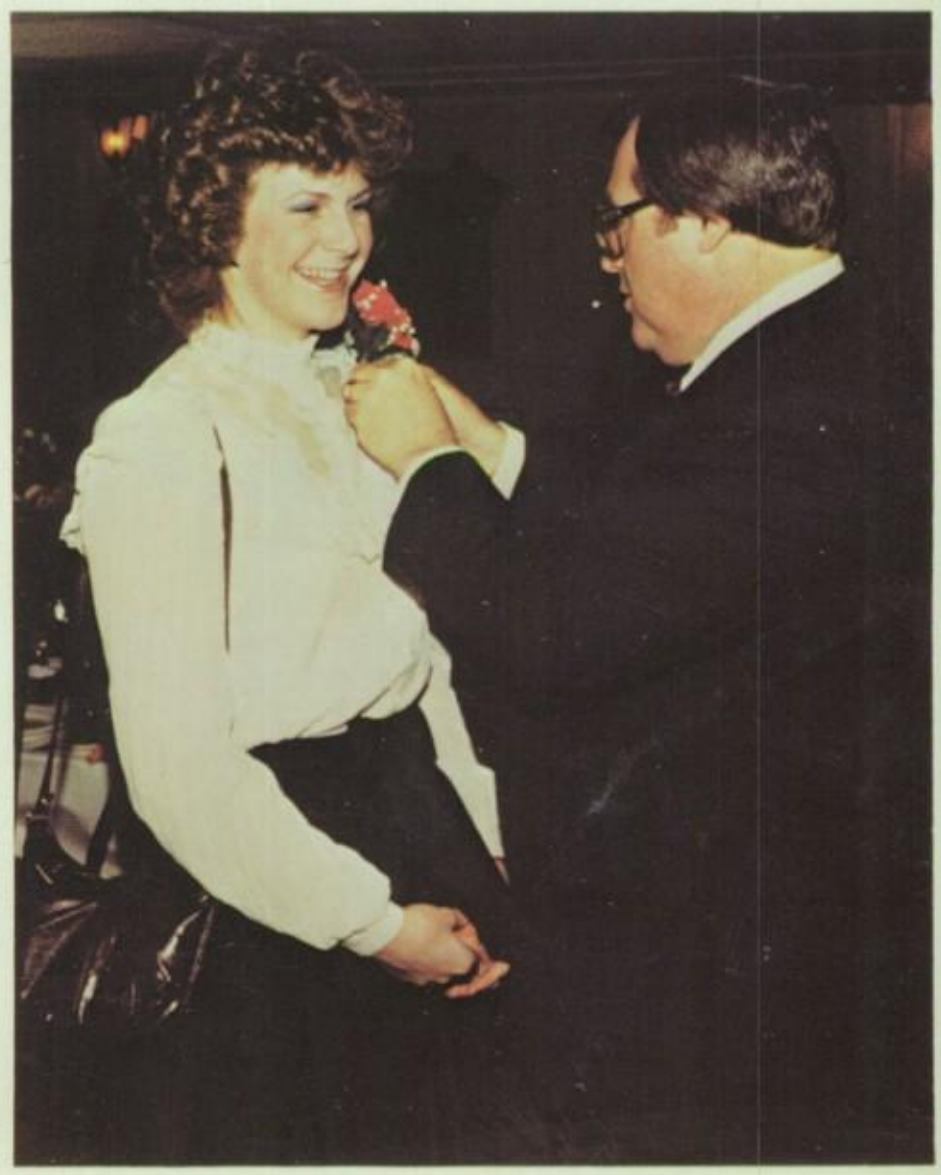
B-o-o-o-o! So began the afternoon for many area trick-or-treaters, their costumes ranging from "Annie" to "Pacman." Student escorts, (costumed too, of course!), led the children through mazes, game rooms, and the terrifying "Haunted House" itself. Afterwards followed a movie and a milk-and-cookies stop.

Squeals of terror and joy were heard during the afternoon; many children left with mixed tears in their eyes of both happiness and sorrow.

In the bag when they left were many treats and memories; yet, oddly enough, it's hard to tell who had more fun — the children or us.

# FATHER-DAUGHTER DINNER DANCE

The Blue Moon was the scene for this year's Father-Daughter Dinner Dance, held on February ninth. With over two hundred couples in attendance, the dance floor was packed. The band played many songs, ranging from the Hokey-Pokey to current hits. This Student Government sponsored event was a great success. We all thank our fathers for making this so much fun; and yes, dad, we forgive you for stepping on our feet.

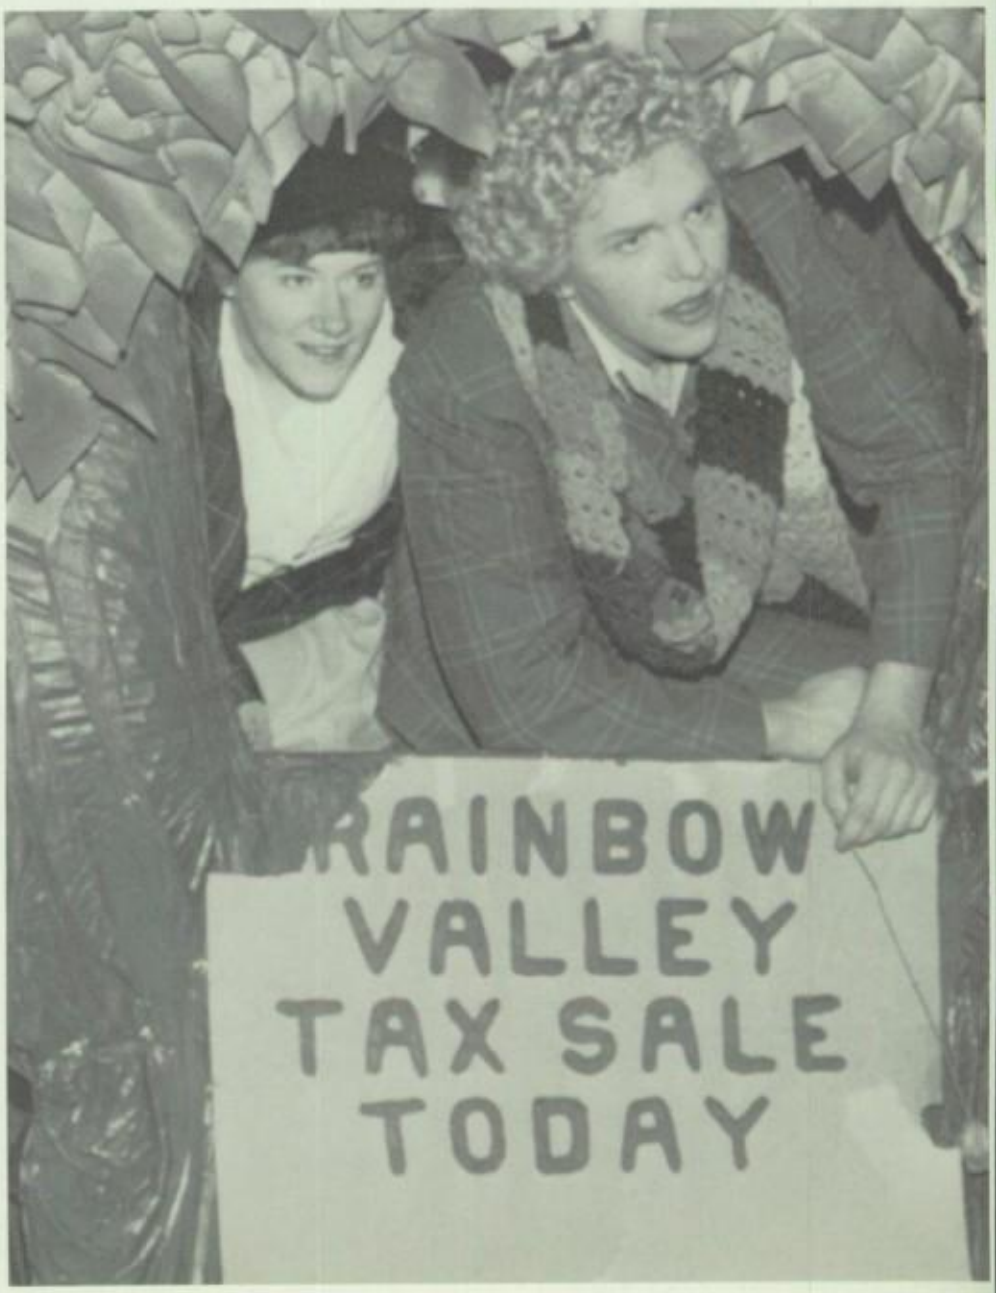


# CHRISTMAS DANCE

The band Surrender played to an audience of nearly three hundred on Saturday, December eleventh at the annual Christmas Dance. Until late at night, the couples talked, danced and had a great time. The event was a fun way to kick off the Christmas season. Everyone was in the spirit, including the chaperones who danced right along with the students. All in all, it was great fun and provided us with a nice way to say Merry Christmas.

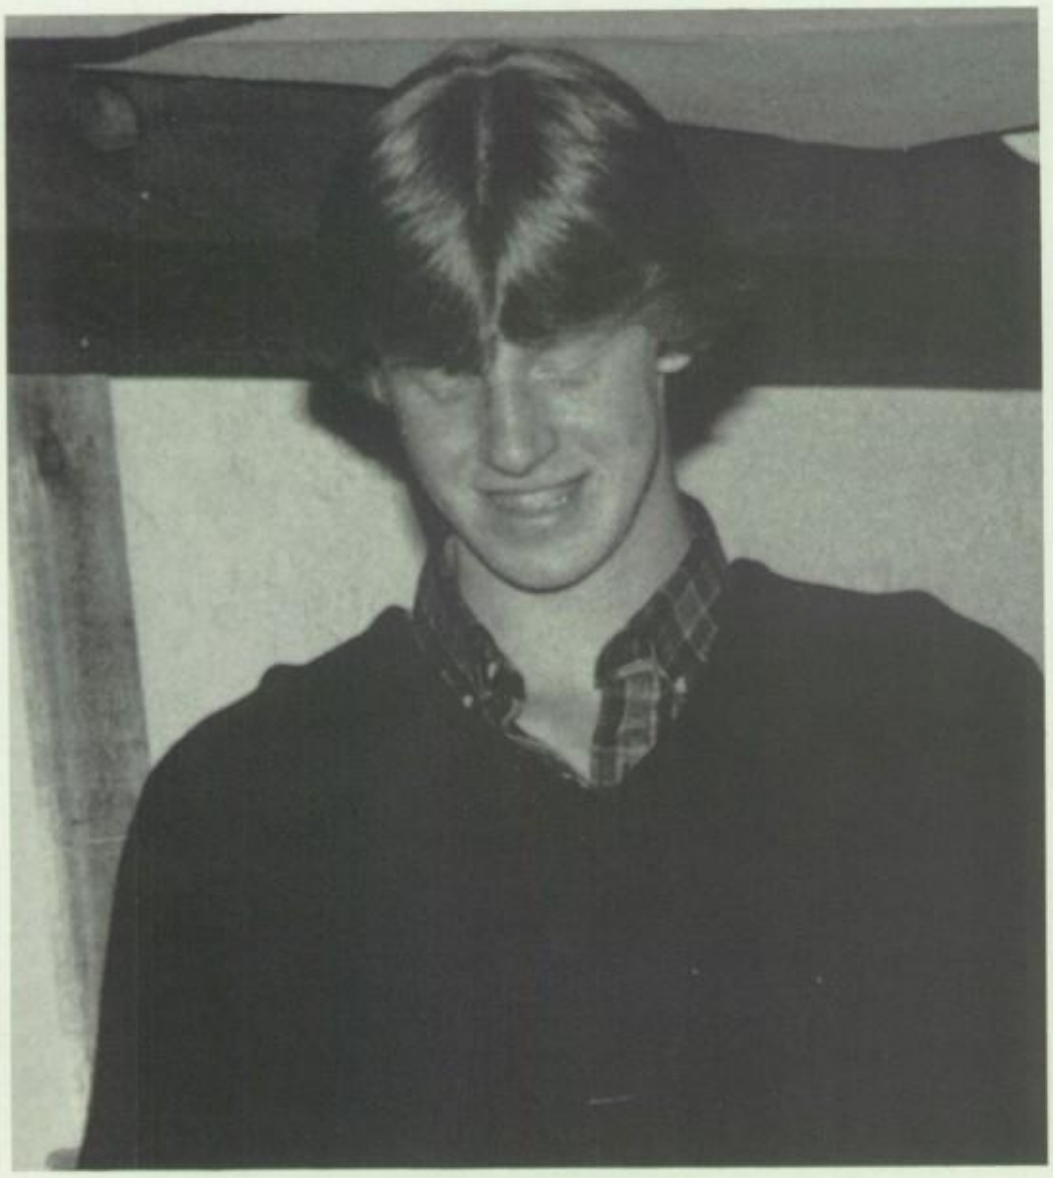
# END OF THE RAINBOW

The 1983 spring musical, Finian's Rainbow, was a smashing success. It had everything: song, dance, orchestral music, and, of course, acting. Director Betsy Powell said she ". . . was pleased it went so well. I feel it was our best musical to date." Outstanding performances were turned in by Al Petterson as Og, Carman Vogt as Susan Mahoney, and Scott Howlett as the famous Finian himself. The all-school production ran for four nights, our first in three years. If was definitely a tribute to the school and a job well done. Congratulations!



# SPORTS BANQUET

The 1983 Sports Banquet was a huge success. All members of all teams attended; many seniors were the recipients of awards and recognition. Varsity players received their letters, and others were awarded plaques for Most Valuable Player, Most Improved Player and such. Bart Ericson and Cindy Henryson were outstanding athletic winners. The evening was enjoyed by all who participated.



# MOTHER-SON BRUNCH

The second annual Mother-Son Brunch, held as a "rival" to the popular Father-Daughter Dance, turned out to be a success. This Advisory Board sponsored event was held on May fifteenth at the Elks Club. All who attended enjoyed the morning, especially the mothers. Although there was no lack of enthusiasm, increased participation is hoped for in the future.

# PROM '83

On May 6th, the 1983 Senior Class enjoyed their final Junior-Senior prom, which was hosted by the Junior class. The theme for this years Prom was "Only Time Will Tell" Students transformed from T-shirts and blue jeans to tuxedos and formal gowns. Couples began their evening with a dinner of Chicken Cordon Blue, and the remainder of their evening was spent dancing and romancing to the beat of Chariot. Entertainment was supplied by Judson College Students, who presented some skits for the night. Students received mugs inscribed with the prom theme for keepsakes of a truly beautiful evening, and for the Seniors a rememberance of their years spent at Larkin High School.

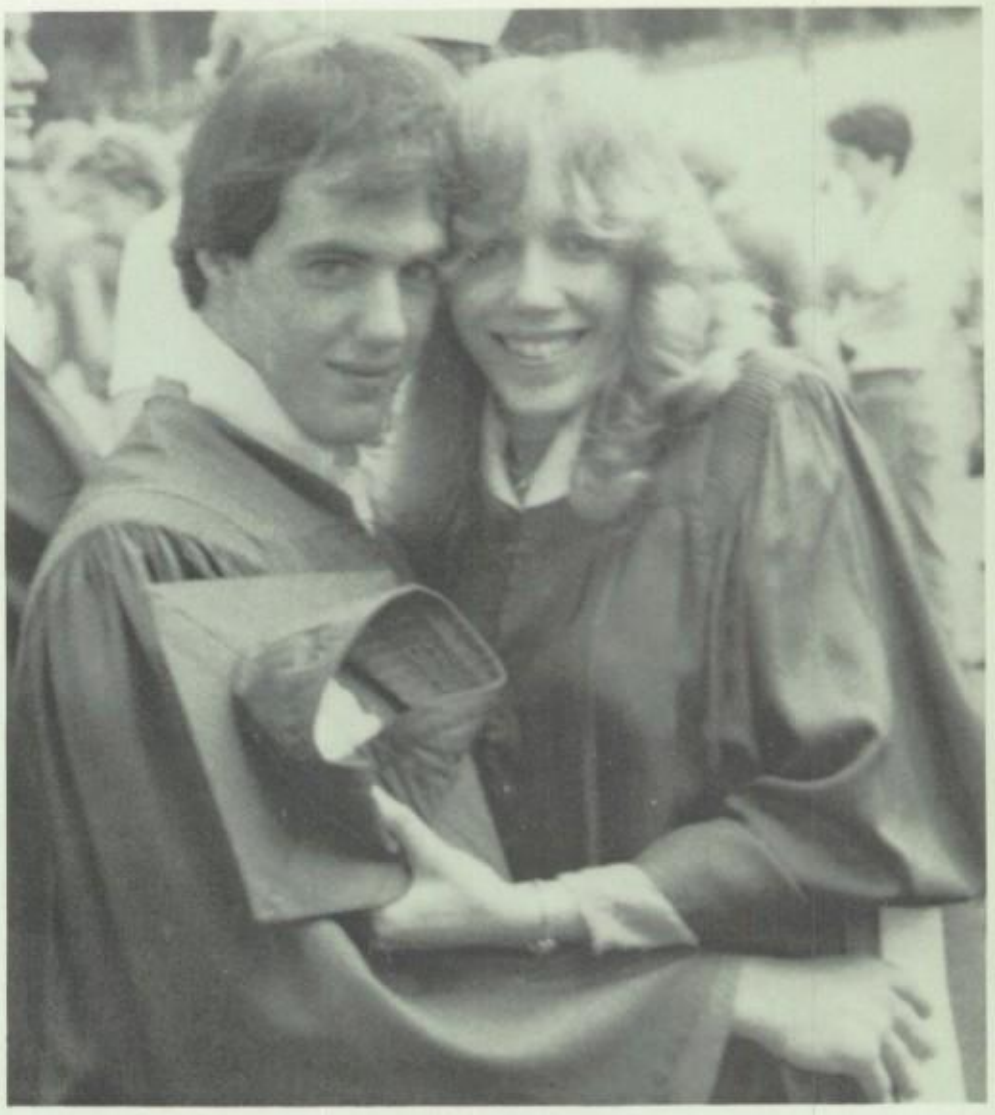
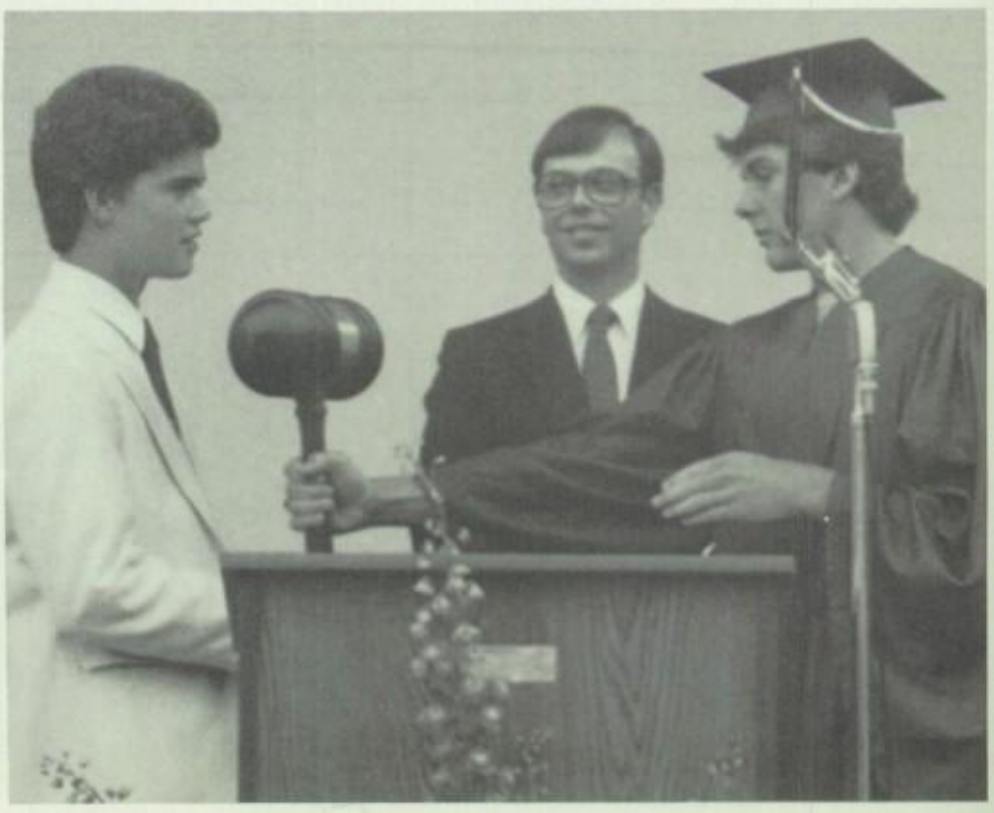
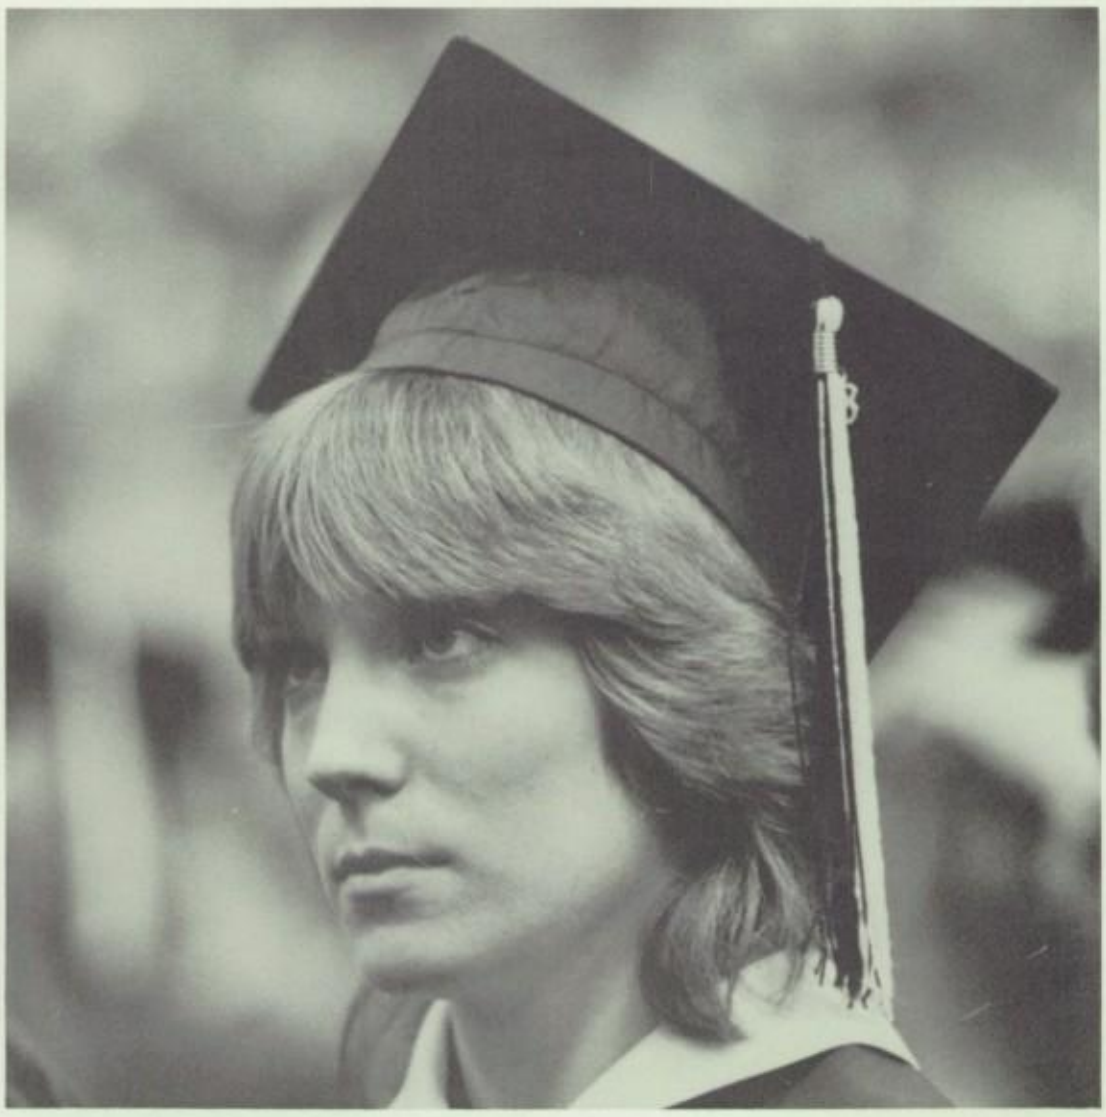
# COMMENCEMENT 1983

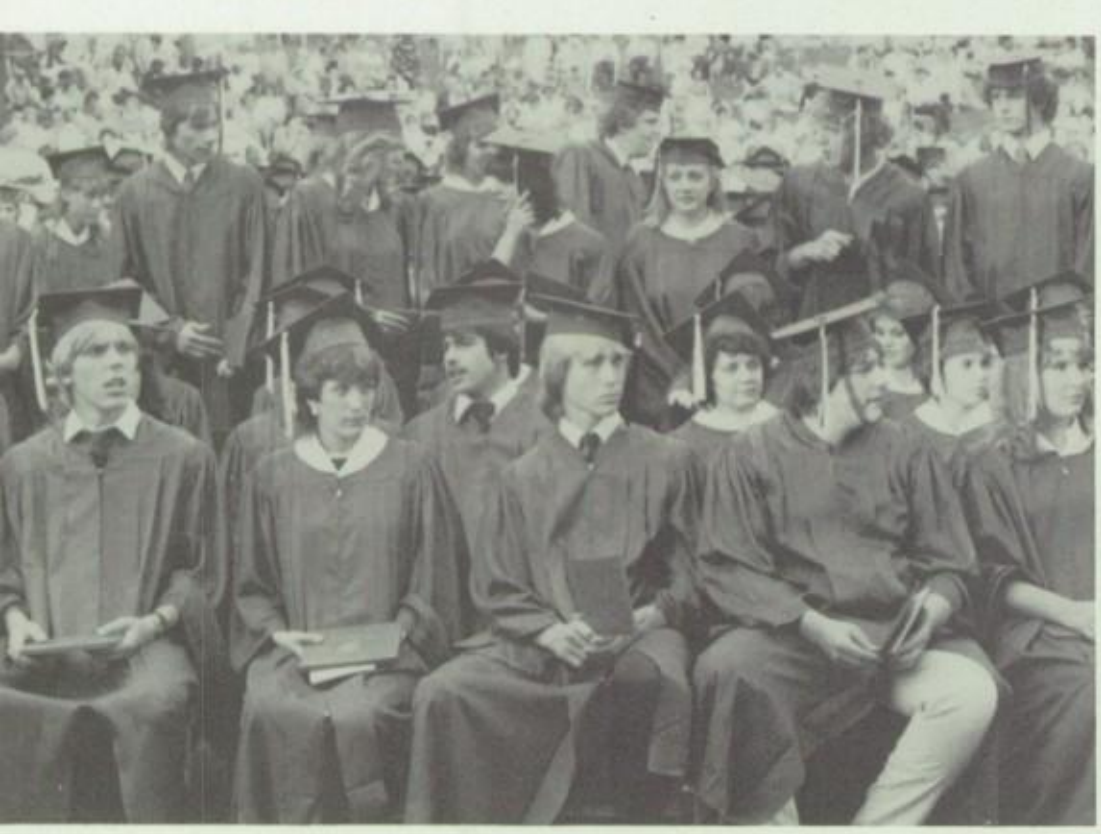
With the approach of June, the 1983 graduating class began its commencement exercises. Tuesday, May 24, was Senior Recognition Day; all deserving students were awarded scholarships and awards. Sunday, June 5 heralded Baccalaureate. Senior singers performed "A Corner of the Sky", written and arranged by Al Petterson.

Soon, Friday, June 10 dawned; it was THE DAY. Our Commencement Ceremony was held at Wing Park. It included the traditional Valedictorian Speech by Marie Gorski and the "Passing of the Gavel" from the senior class president to next year's president. Joy and sorrow, grief and adulation were seen on the faces of the class of 1983 as they ended their high school career.

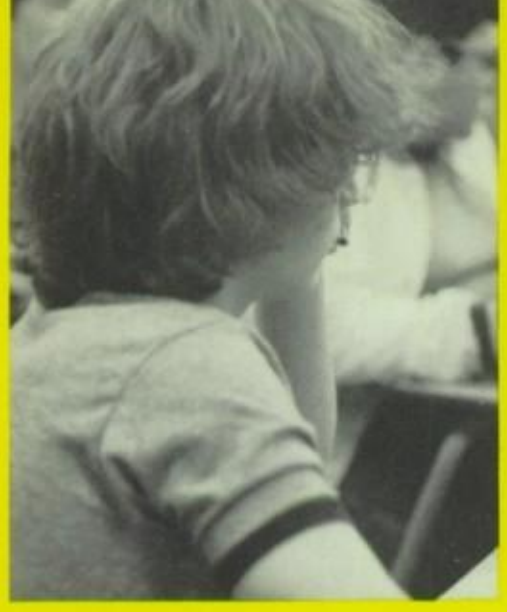


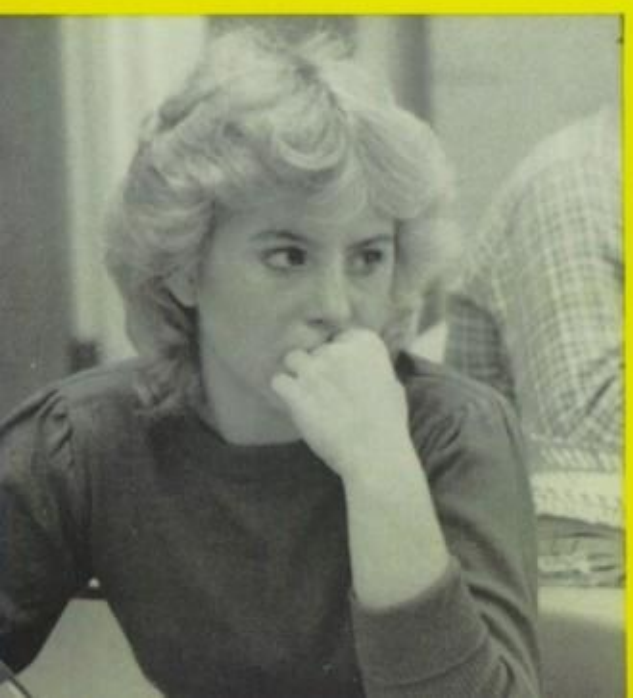






# COLOR ME ACADEMIC





Larkin High School added a new administrative staff with Mrs. O'Neal, a new dean of students and Mr. Newton, our new assistant principal.

Mrs. O'Neal commented that she felt the changes were a really good idea and gave school spirit a new "shot of energy." Assistant principal Mr. Newton feels that the changes of bringing the freshmen to Larkin gave students a better chance to set their career goals sooner. Chris Canaday, senior class president, said, "I think the new administrators are settling in nicely and functioning smoothly. They are willing to implement change when necessary."

Six new aids have been added this past year to help the incoming students. These are three secretaries and three deans' assistants. The new secretaries are Mrs. Kasten, Mrs. McDaniel, and Mrs. Reed. The deans' assistants are Mr. Banwart, Mr. Burns, and Mrs. Johnson.

When asked what she thought about the change in the program, Mrs. Bramer, an attendance secretary, replied that she personally likes the four year high school program. At the beginning, things were a bit confusing, but soon all activities took shape and ran smoothly.

Besides changing the curriculum to a four year high school, the English department kept itself busy with other activities. These activities included a "Sleepy Hollow Pumpkin Contest," in which students in Mrs. Wieg's Junior Honors English class decorated pumpkins and brought them in for judging, a chance to see the Broadway play *Sugar Babies*, and *Hello Dolly!*, a senior field trip to see *MacBeth*, and producing the play *Finian's Rainbow*.

Many changes have taken place in the English department this past year. To accomodate the freshmen, a freshman curriculum and three new teachers were added. These teachers, coming from the junior high schools from the area, included Ms. Totaro, Mrs. Roome, and Ms. Thomas. Along with the freshman curriculum, new additions to the English program included Sophomore Honors English, as well as the various levels added to all four years of course offerings.

Mrs. Wieg commented on the changes by saying, "We have a lot of wrinkles that need to be ironed out." Mrs. Powell said, "I think it has had a positive affect on the student body."

Die Fremdsprache Brauche hat noch die selbe klassen: zwei jahre Latein, vier jahre Spanisch, Vier jahre Franzosisch und vier jahre Deutsch. Inka Muller ist wieder zuruck als Franzosisch, Spanisch Lehrerin. Es sind sechs Fremdsprachende Lehrer, die die 150 Deutsche Studenten und 33 Lateinische Studented. Wir haven die vier jahre programm hern wehen drei Grunde; "mehrere studenten konnen die Fremdsprachen studieren und die Lehrer brauchen nicht mehr zu den verschiedene Schulen fahren." Ein Zitat von Herr Jenkins.

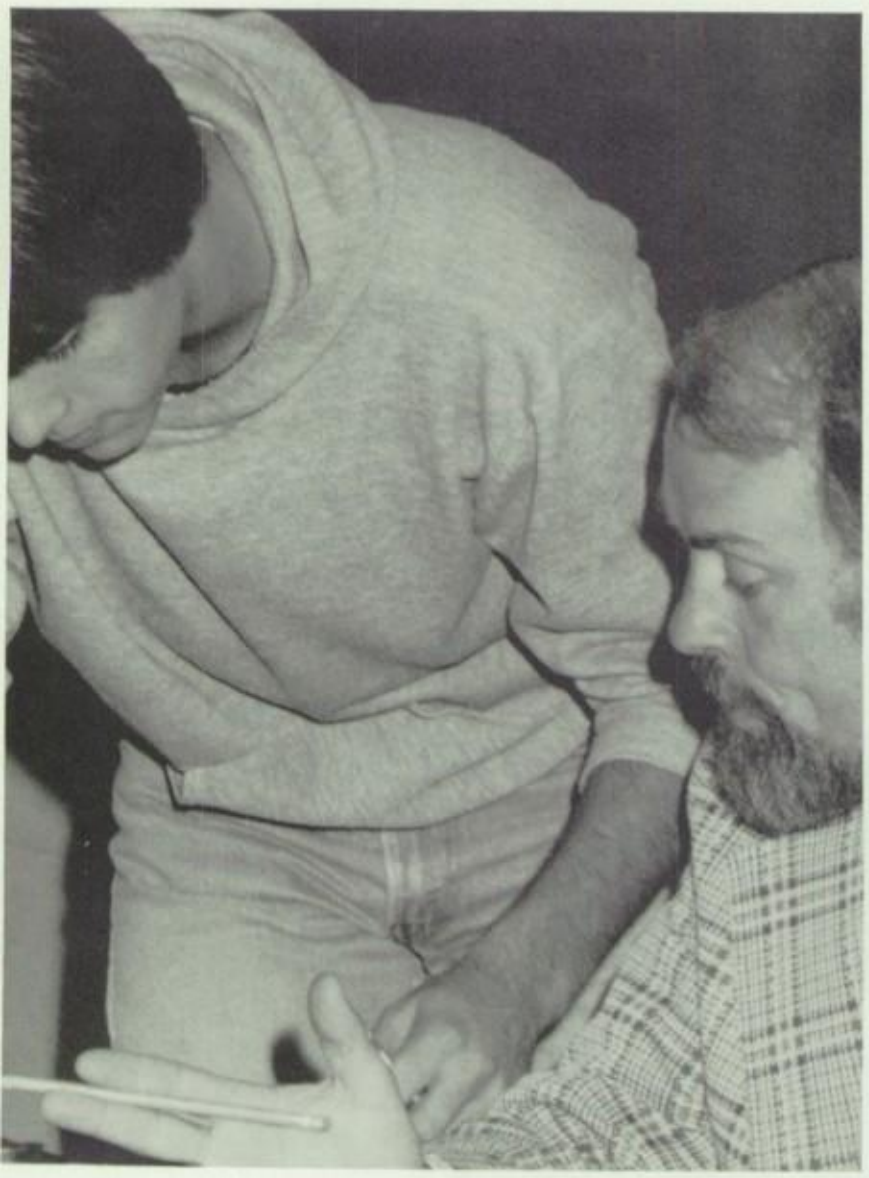
Le département des langues étrangeres à les mêmes cours de langues: deux ans de francais, et trois ans d'allemand. Madame Muller est de retour à Larkin comme professeur de francais et d'espagnol. Il y a six professeurs des langues pour les 150 étudiants de francais, 270 étudiants d'éspagnol, 33 étudiants de la latin, et 150 étudiants d'allemand.

Le programme offre quatre ans des langues et donne la possibilite a l'étudiant d'étudier la langue plus profondiment. Les profs des langues ne voyagent plus pour enseigner.

Divisio linguarum aliarum easdem linguas retinuit: Lingua Germana, Euattuor annos; Lingua Galla, quattuor annos; Lingua Hispano, quattuor annos; Lingua Latina deios annos. Sex magistri sescentos discipulos educant. "Cursum quattuor annorum ammus propter duas rationes: Plures studentes linguas ediscunt et magistri ad olias scholas non iam itinera faciunt."

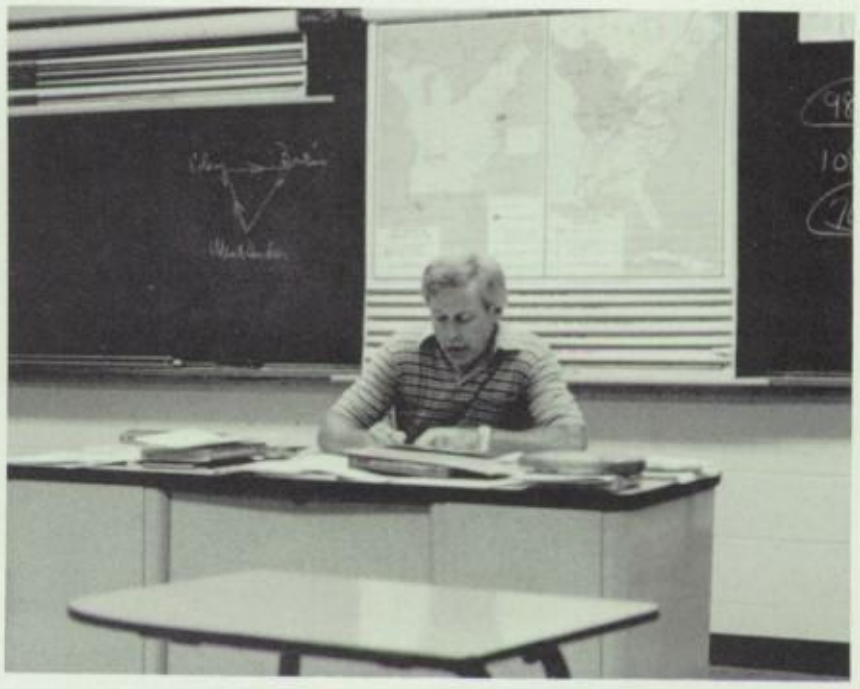
The Foreign Language Department has kept the same language classes: two years of Latin, four years of Spanish, four years of French, and three years of German. Inka Muller has returned to Larkin as a French-Spanish teacher. There are six foreign language teachers educating the 150 French students, 270 Spanish students, 33 Latin students, and 150 German students. Mr. John Jenkins, division chairman says "We like the four year program because of two reasons; more students are enrolled, and the teachers no longer have to travel to the different schools to teach."

El Departamento de Lenguas extraujeros ofrece las mismas cursos antes: dos anos de Latin, tres anos de Aleman, Espanol y Frances. La Senora Inka Muller regreso a Larkin para ensenar Espanol y Frances. Hay seis profesores que ensenan Espanol a 270 alumnos; Alemana 150 alumnos y tambien Frances a 150 alumnos, y Latin a 33 alumnos. Segun el Senor Jenkins "Nos gusta el programa de cuatro anos per dos causas: Nas alumnos se registran en lenguas extranjeros y los profesores no tienen que manejar a escuelas diferentes para ensenar."



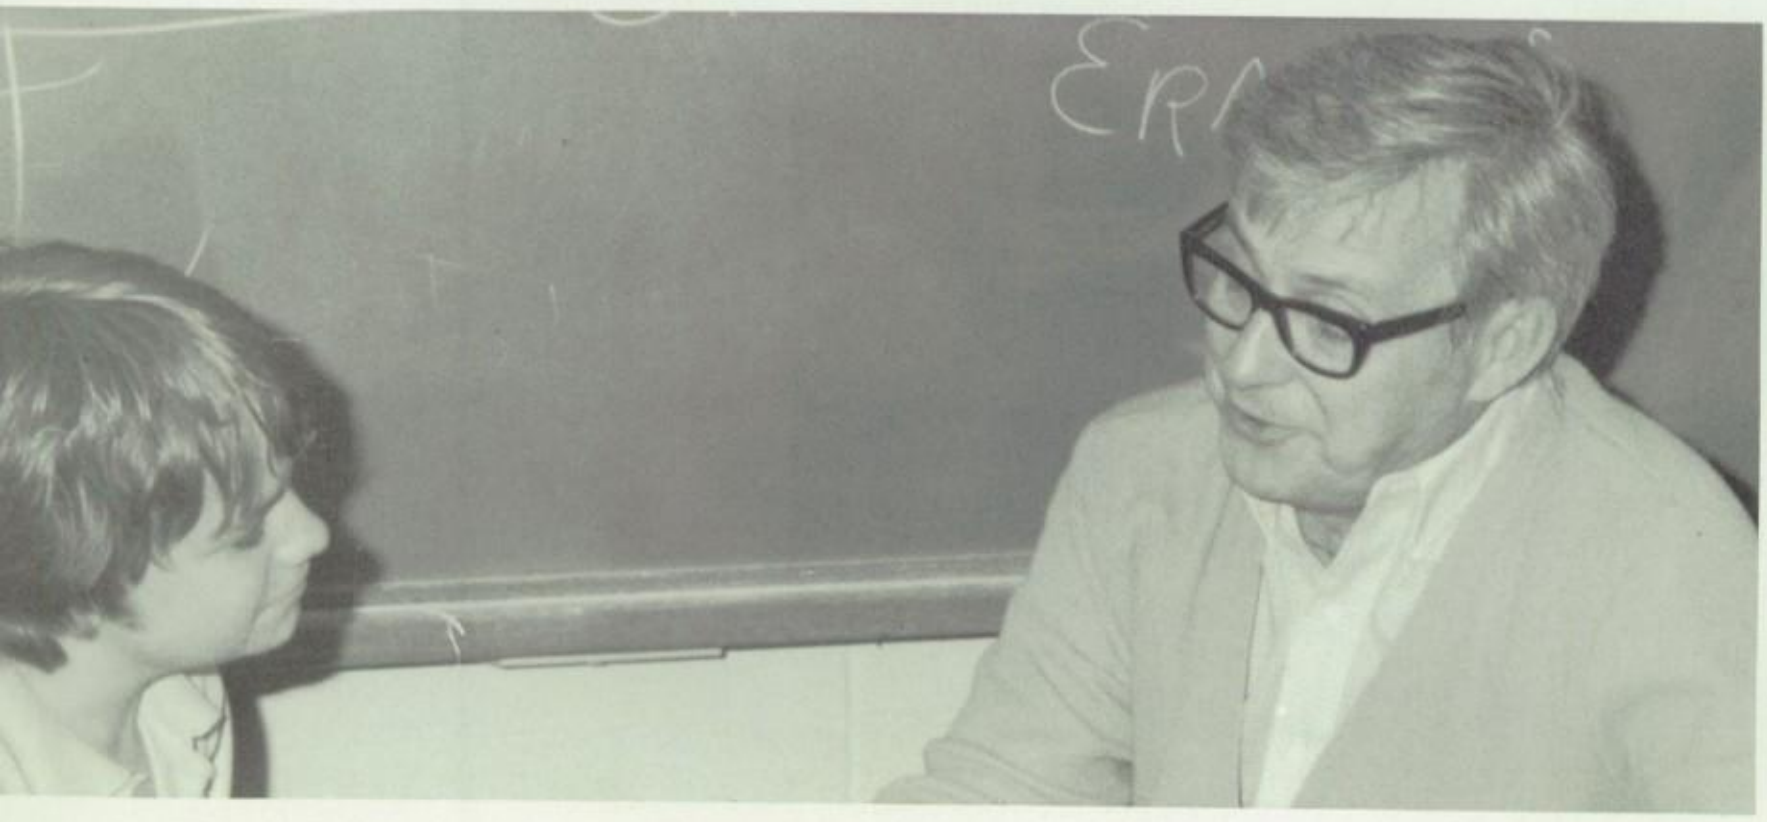
Of the 1200 students enrolled in the social studies department, it was said by a junior student, "the classes are larger from the four year school and you don't learn as much. Also, there are no new teachers." This is true; due to only two new classes, International Relations and introduction to Law, being added to the curriculum, the need for new teachers was not necessary. Honor classes that have been added include honors: economics, honors civics, and A.P. history.

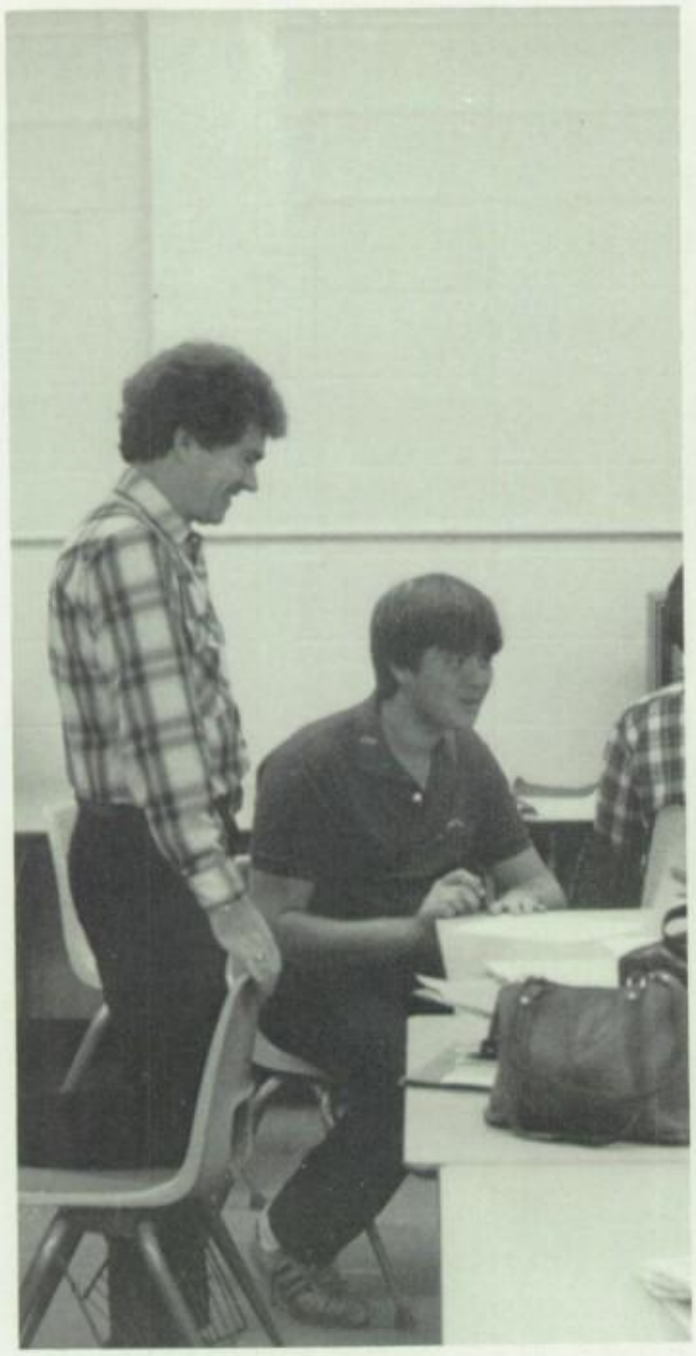
The department also offered students a chance to attend the metro History fair in Chicago, as well as participate in the presidential seminars held in Washington D.C. during the winter.

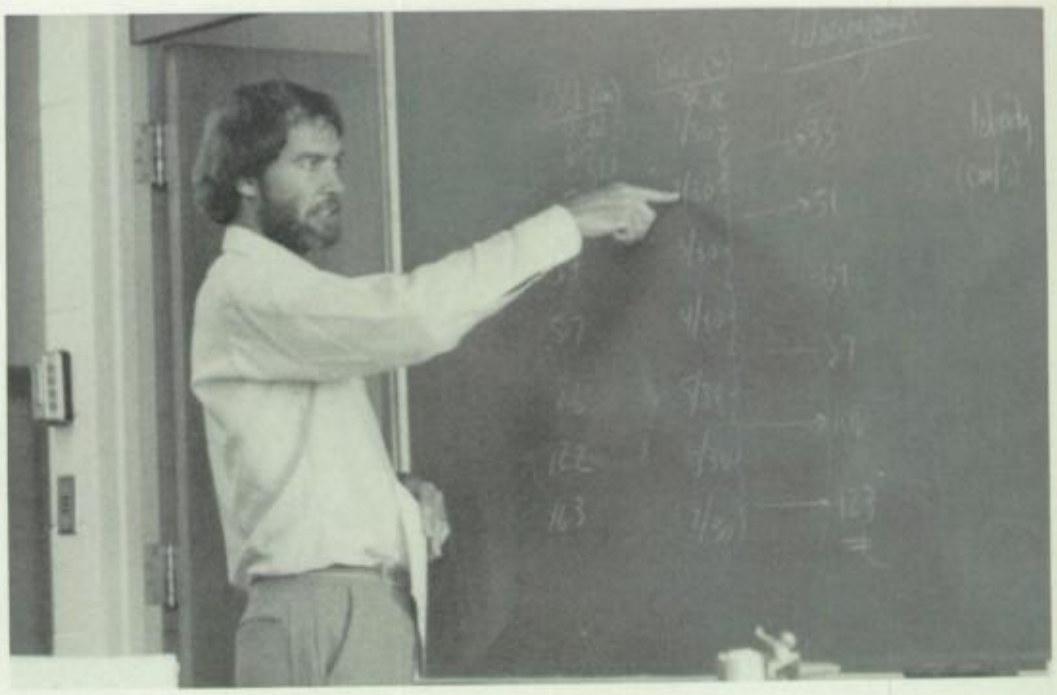


"I feel that I benefited a great deal from the mandatory U.S. History class in eleventh grade. We learned in more detail the information we had in eighth grade. My teacher knew a lot of interesting facts that made history fun."

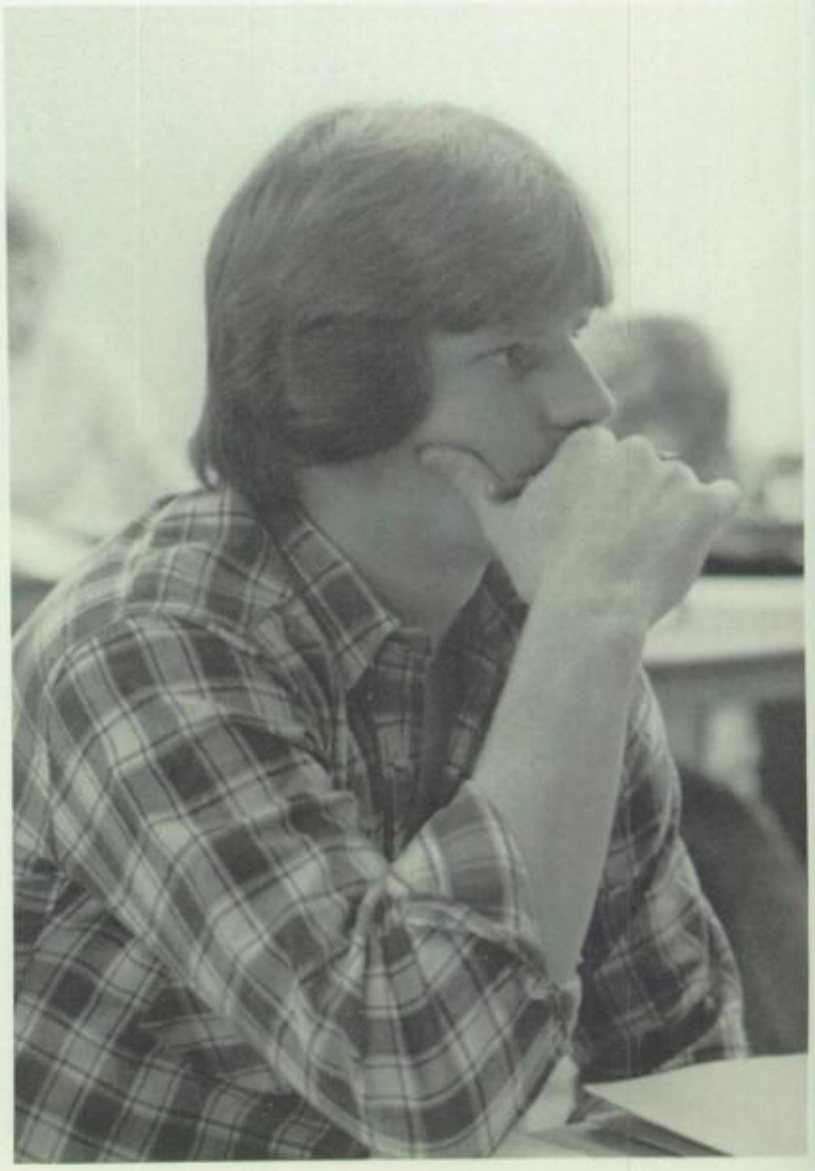
— Cheryl Burns





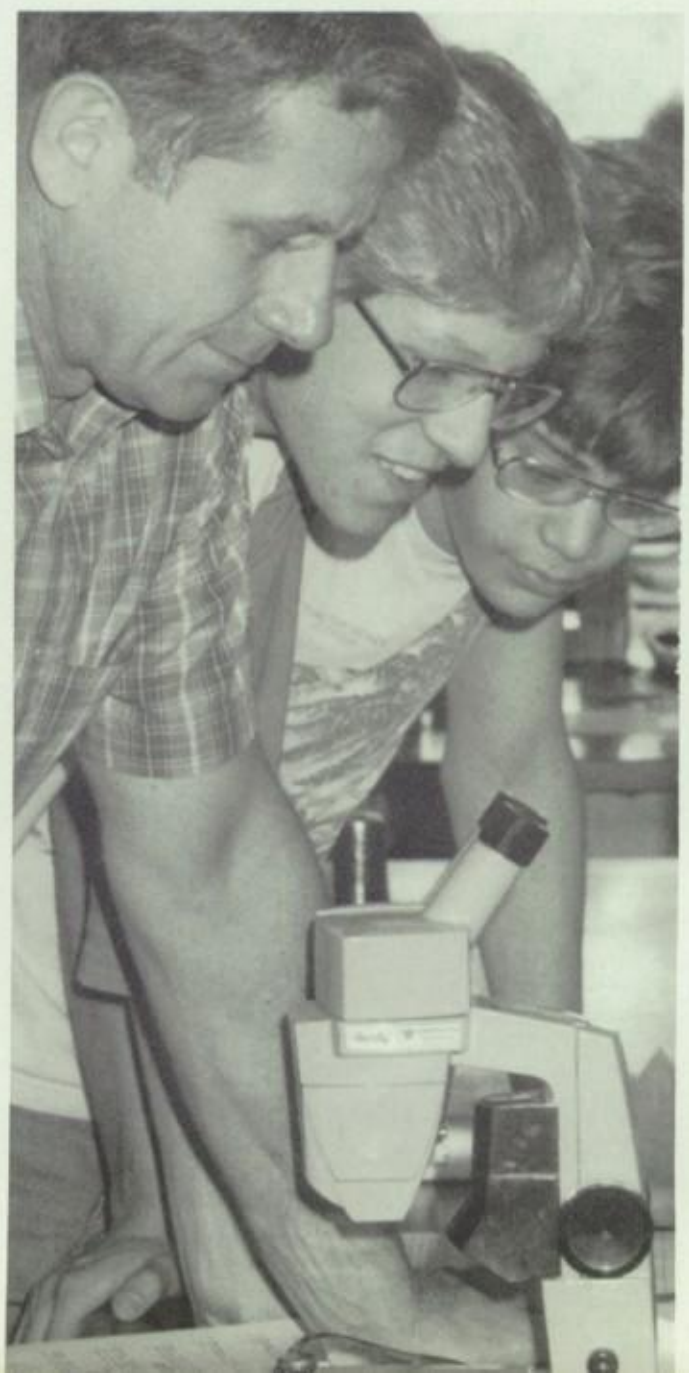


This year Larkin added many new math and computer science courses. Some of these were: Computers 3-4, General Math, and Pre-Algebra 1. New instructors for these courses were: Mr. Bandera, Mr. Kappes, Mrs. Lay, and Ms. Wiesjahn. Academically talented students from these math classes participated in the Upstate Eight and Teams competitions. Mr. Brown, the math and science divisional chairman, was quoted, expressing his feelings concerning his department, "I don't find it that much different except there are more students."

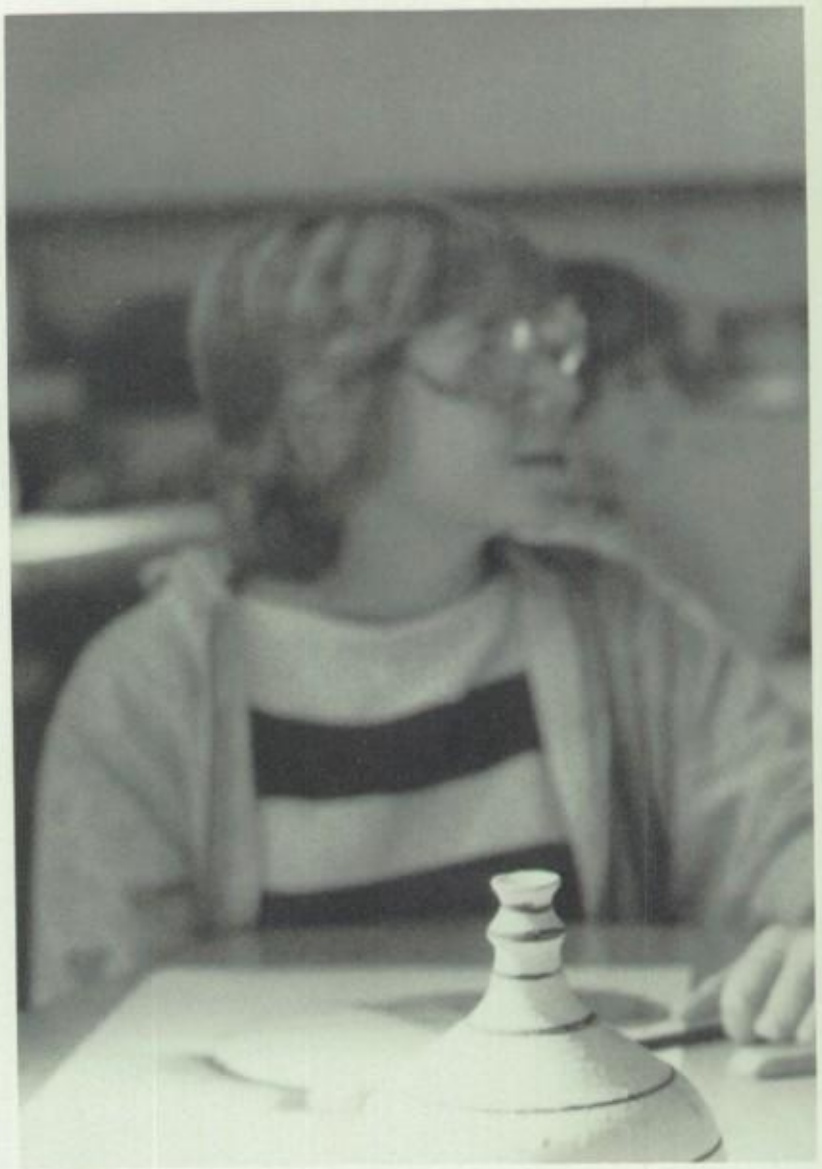


There have been just a few changes in the science department this year. The only change in the curriculum was the addition of Physical Science, a freshman course. Added to the staff were Mr. Tom Baugh and Mr. Allerton. Also, a new science room was added where the old library used to be to make room for the new course.

Last February, the department entered in the TEAMS competition and took first place at ECC. Another competition in which they participated in was the Academic TEAM Regions, or Jet competition, in March.



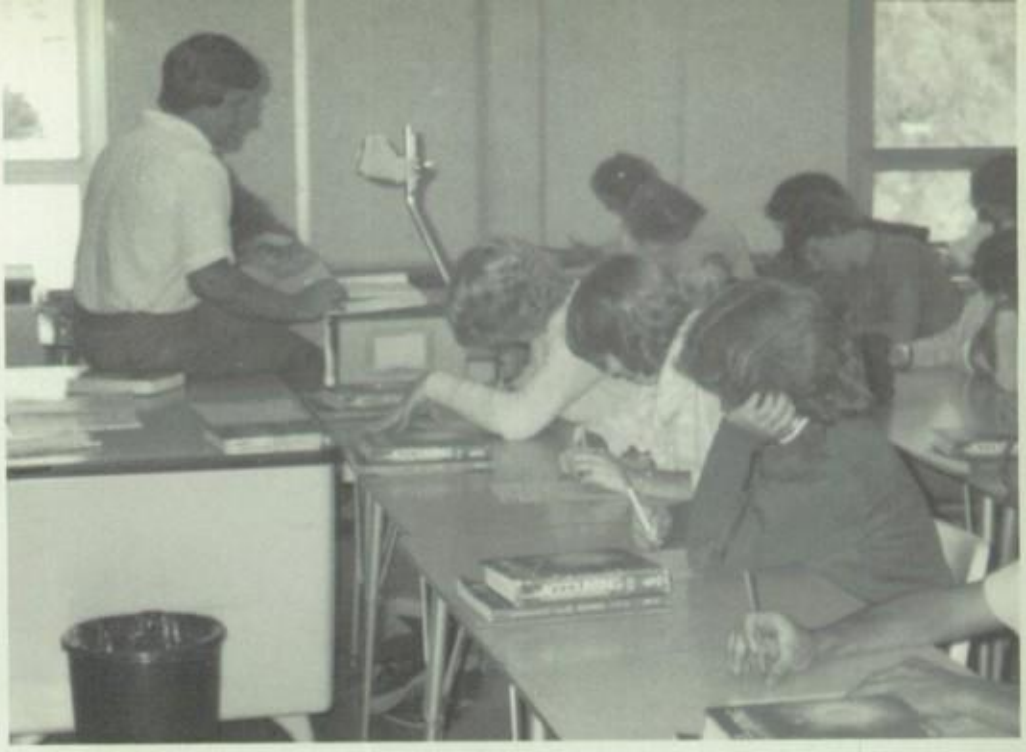
The changes that have taken place in the art department are few. There are no new teachers and only two new courses added to the curriculum. These courses are Fundamentals of Design and Exploratory Art. Mr. Johns, an art teacher at Larkin for many years, is happy about the new program since the students will have more experience in the art field and will be better off for future art courses.

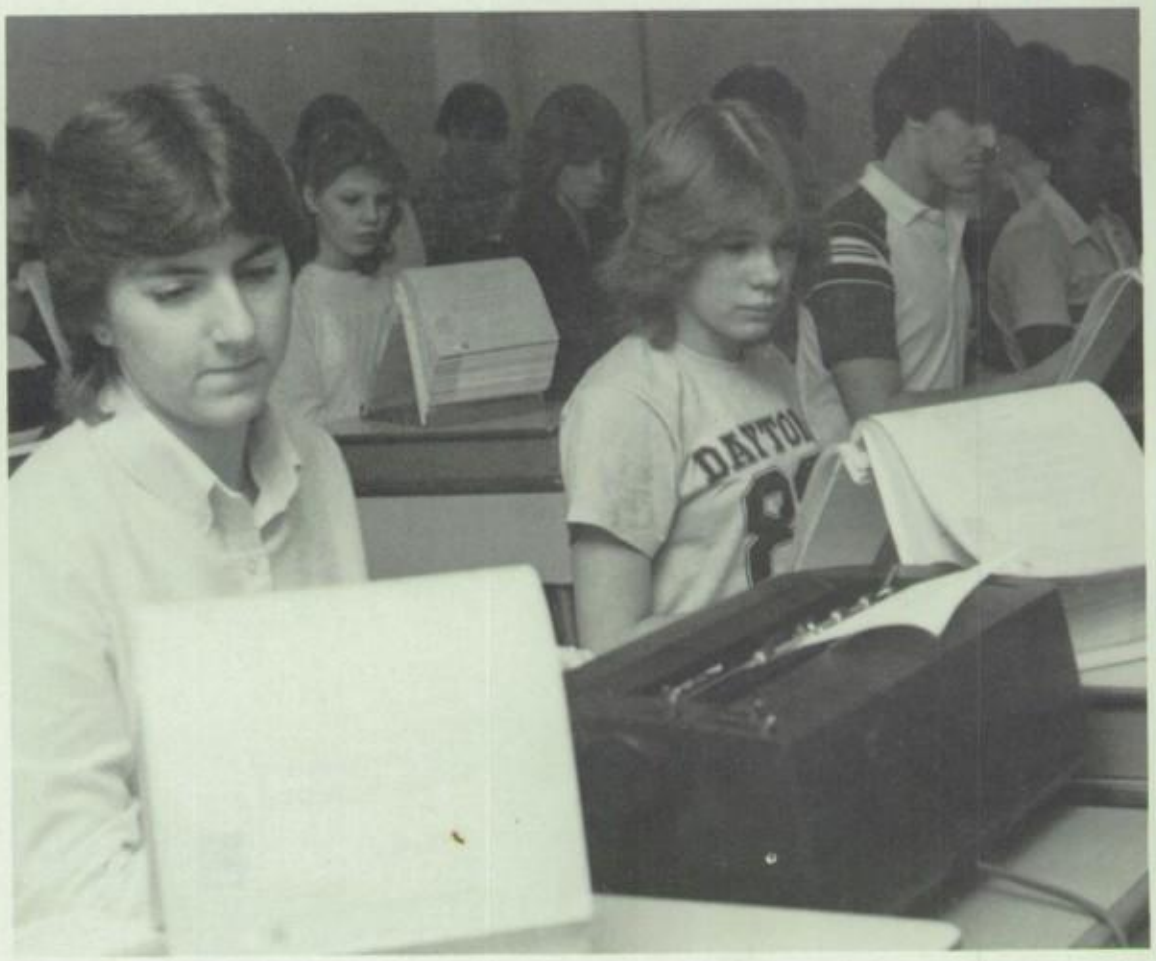


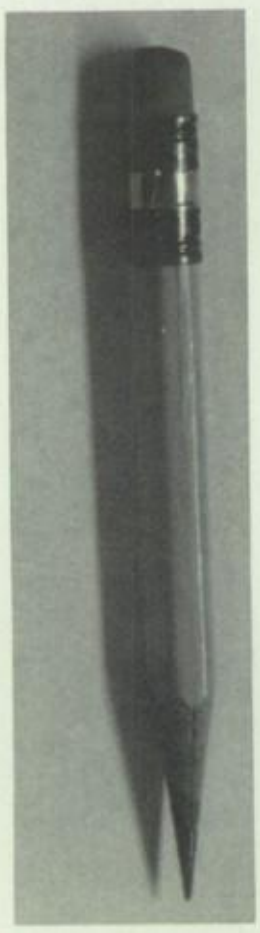
The Applied Arts department added many new people to its staff this past year, among them, Mr. Schwarz, Mr. Smith, Mr. Stump, Mr. Markuson, and Mrs. Cox. These teachers were accompanied by a new woodshop, new equipment, and four new courses. These new courses, Introduction to Woods, Wood Technology, The Individual, and Introduction to Child Development, were interesting and proved to be a success.

The change to a four year high school affected the business department very little although the following additions were made: Mr. Jensen and Mrs. Carpenter were added to the staff, General Business to the curriculum, and a new room was used by both the health and business students.

Mr. Newquist feels these changes made it possible to promote the business curriculum more easily, and it gave the freshmen a better chance to learn more about the many choices in business careers.





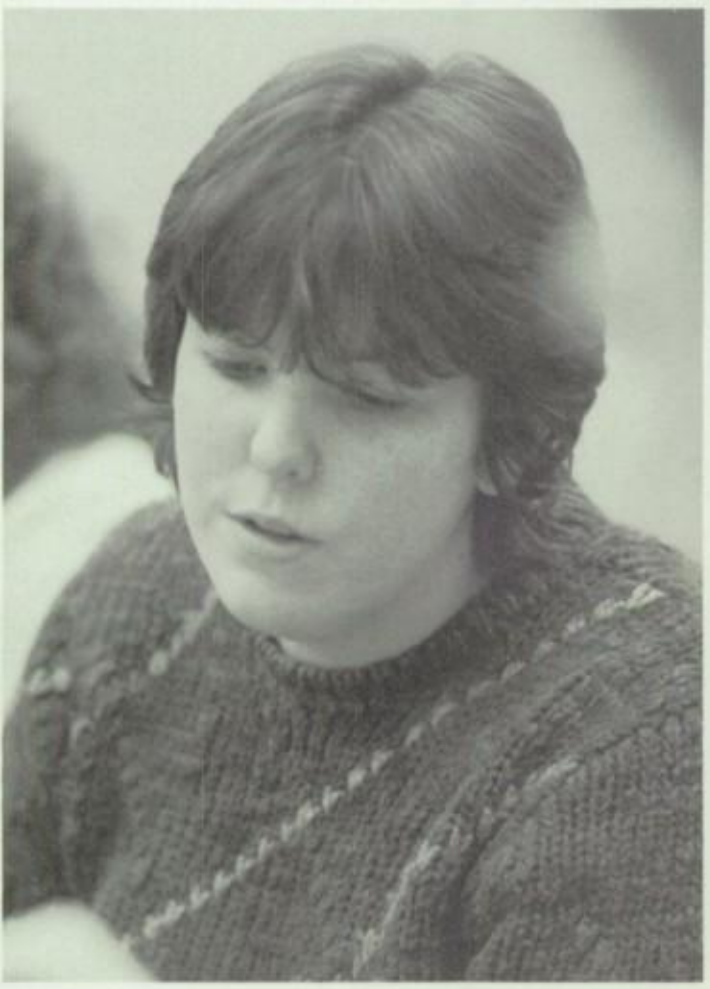


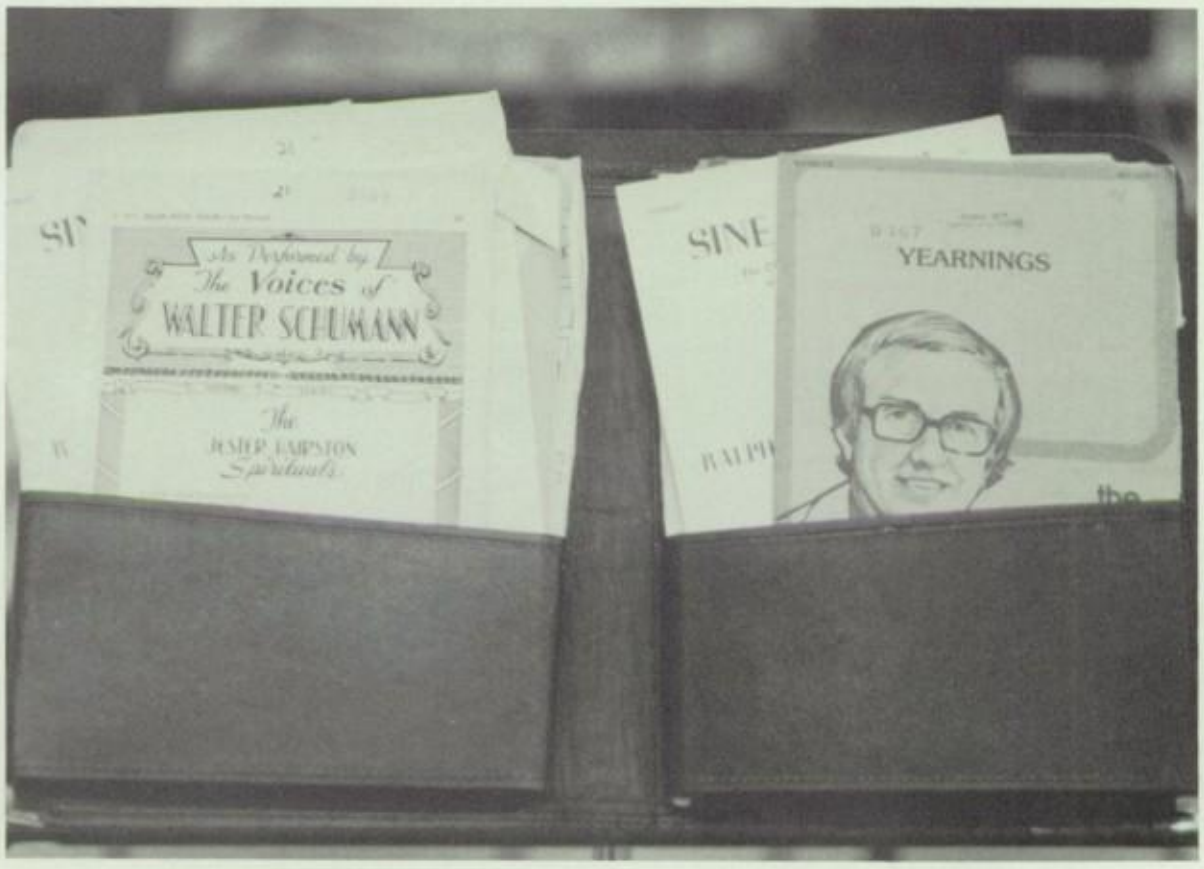
Marketing became a popular addition to Larkin's curriculum this year. Taught by Mr. Haacker, the course focuses on learning about career development, consumer service, selling operations, management, and sales promotion. Many guest speakers from the community were invited to broaden the students' understanding of the retail sales progress. Each of the eighteen students enrolled in this section worked on retail displays which were exhibited in the twelve display cases around Larkin. Another practical activity was operating a student store. All of the activities were planned to show students the many career opportunities available.

Approximately 174 students were enrolled in the band and orchestra departments this past year. In order to accomodate all of these students there have been a few additions made to both the school and curriculum. A new band room was built which now allows the orchestra to have its own room and a Freshmen Varsity Band was added to the curriculum.

Events scheduled for both the band and orchestra this past year included winter and spring concerts, and participation in the Fox Valley Music Festival in April. Also, a combined Choral-Orchestra concert took place in the fall and all music departments helped in the musical "Finian's Rainbow."

Both Mr. Patterson and Mr. Henning agreed that these students did a fantastic job and adjusted to the department changes wonderfully.

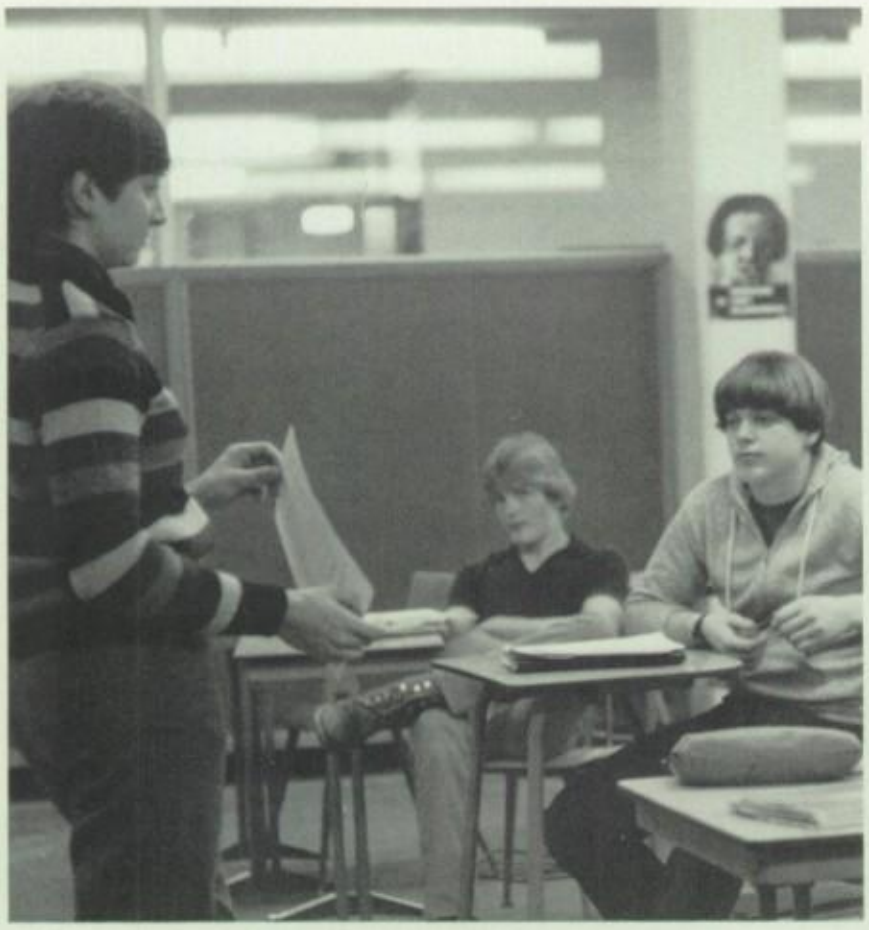




There was only one major change in the Choral Department this past year. To accomodate the freshmen, a Freshman Mixed Chorus class was added to the old curriculum.

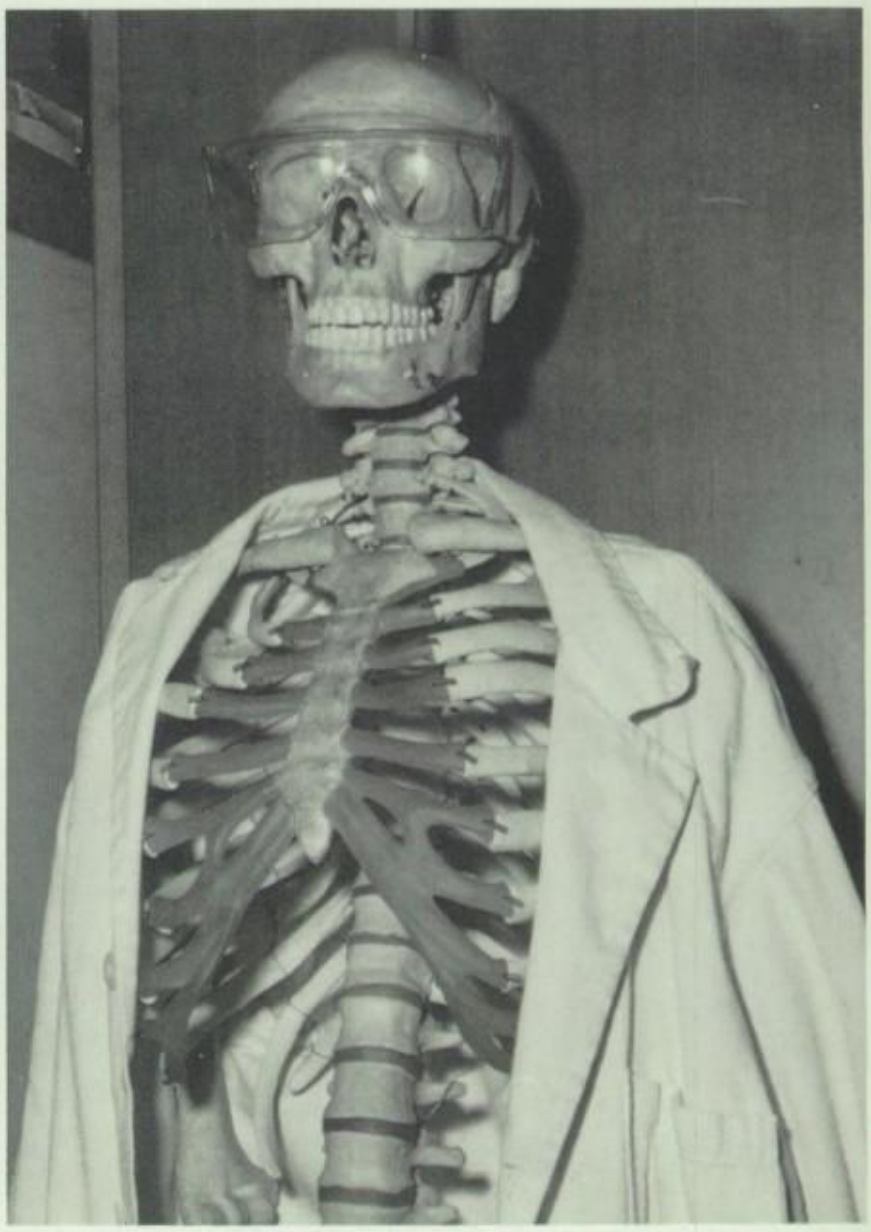
The events that kept the 150 students busy this year included the usual winter and spring concerts with the orchestra, a combined Larkin, Elgin, and Streamwood concert held at Elgin High School, and a combined concert with the Elgin Choral Union. Many students competed in various competitions too. These competitions include I.H.S.A., All-State, and Districts. Also many of the students took great pride in participating in the school musical, ''Finian's Rainbow.''

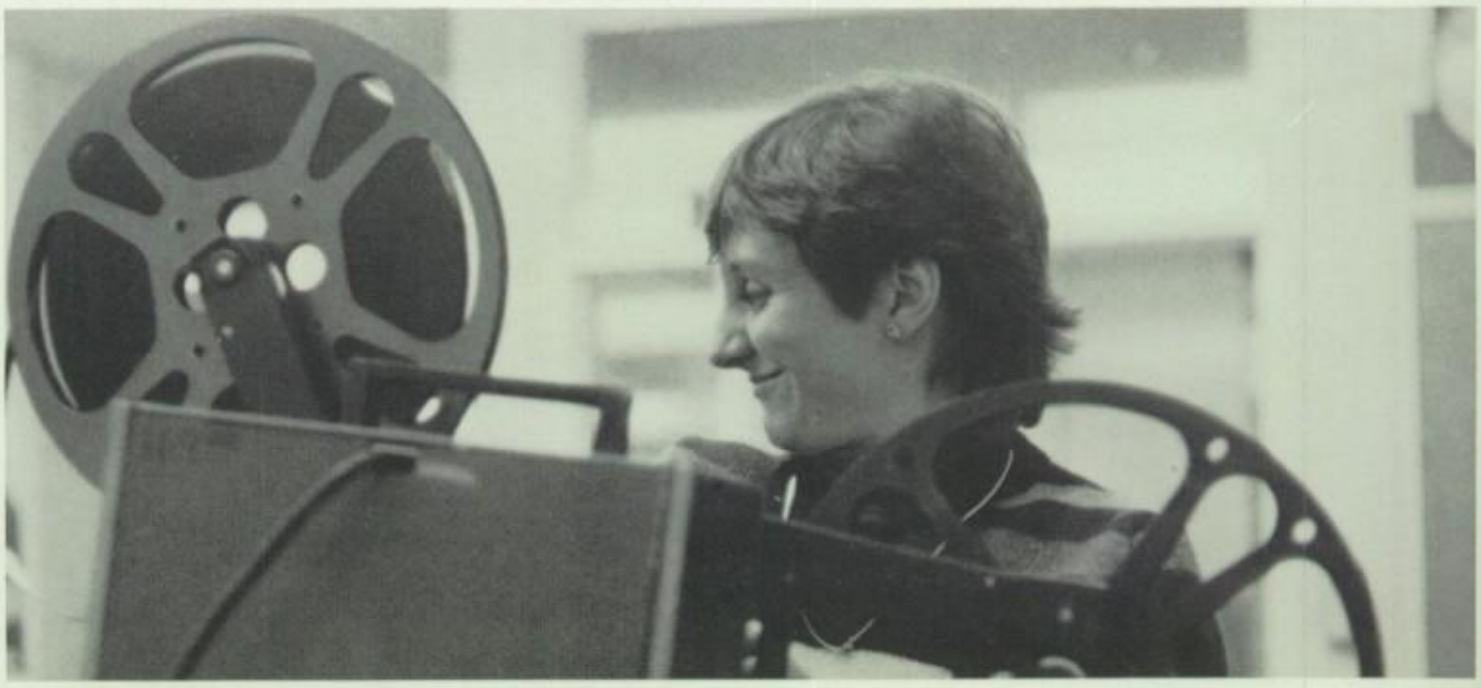
Mr. Phillips, director of all the choirs, thought his students did a nice job and had a lot of potential and spirit.



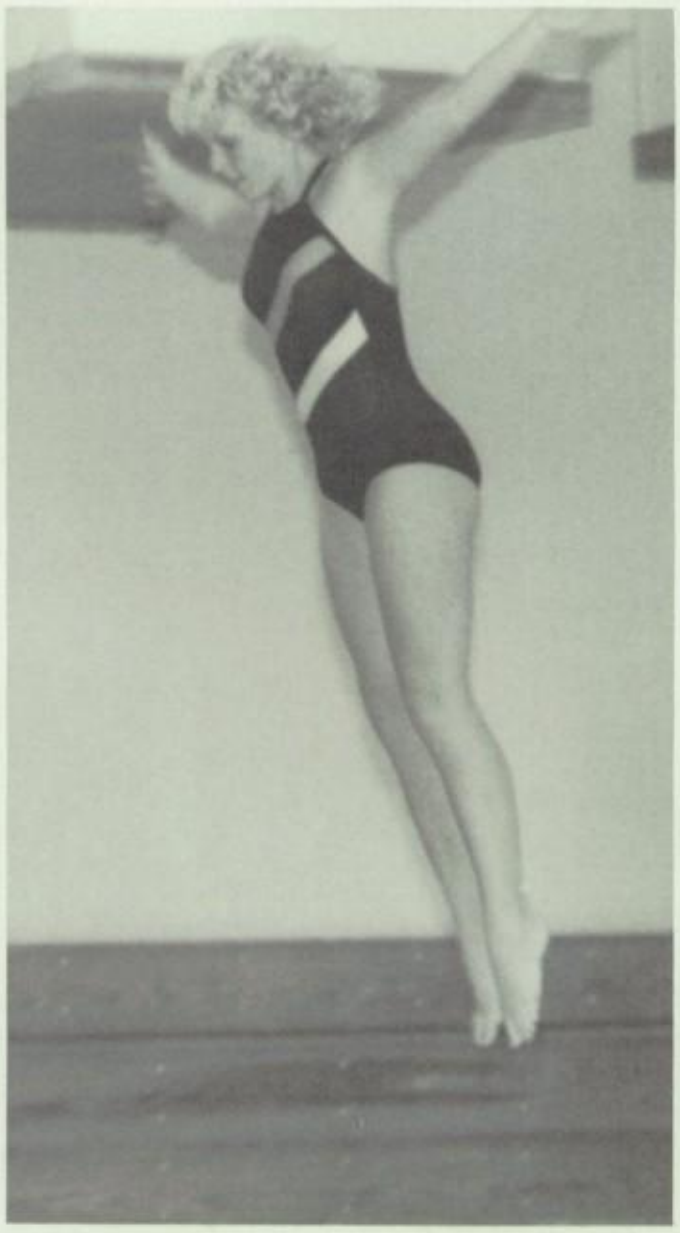
Mrs. Rivera reported no major changes in the health department except a new room addition and a change in student attitudes and grades for the better.

The health department involves itself in many activities. These activities include a field trip to Laird's Funeral Home, giving anti-smoking presentations to gradeschool children, and many guest speakers from such places as the Open Door Clinic, CCADA, and Organization S.T.O.P.





# PHYSICAL EDUCATION



To accomodate the increased enrollment in physical education, Mr. Sugino, Mrs. Schrauf, Miss Goding, and Mr. Cannata joined the Larkin staff. The only new item in the curriculum is square dancing in which the freshmen participate. Mr. Sugino likes the changes at Larkin because he says it gives the "little guys" a chance to meet the "big people." A junior replied that she likes gym because "it breaks the monotony of the day."

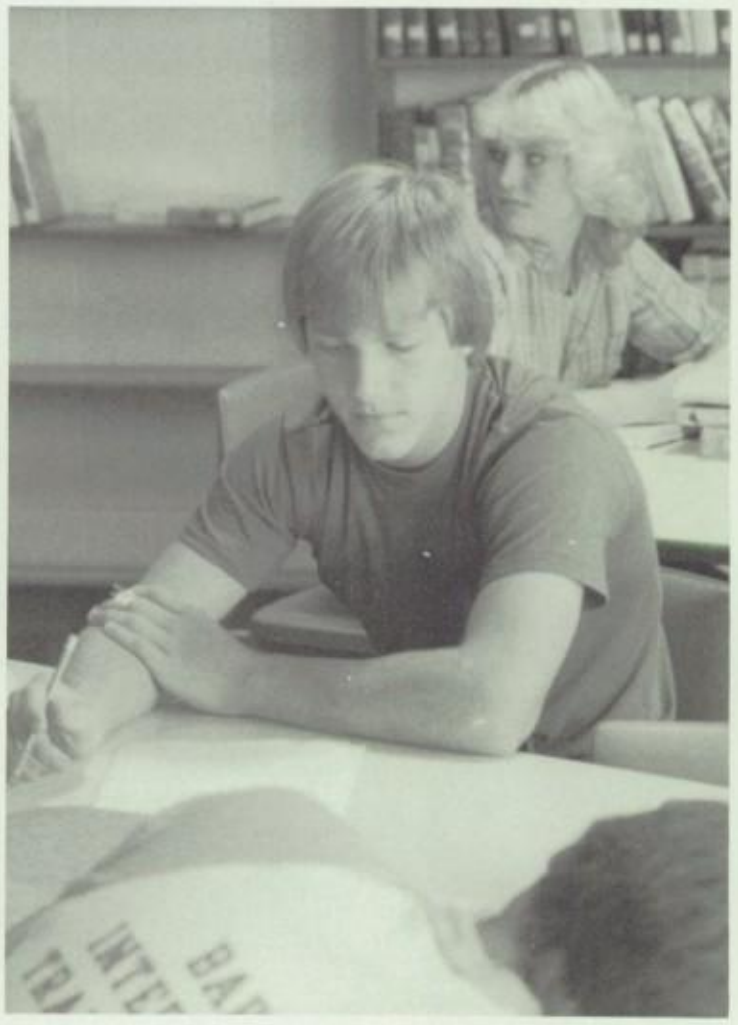
Upon interviewing several of the counselors, it was found that activities were going well. Everyone seemed to have a positive outlook concerning the new courses and programs.

These new programs consisted of adding the freshman curriculum, and honors classes for the English, math, and science courses.

One new activity is the sophomore orientation that took place in October. It consisted of various counselors talking to groups of twelve to fifteen selected sophomore students about Larkin.

Mr. Abbs feels that "Eventually things are going to be good. It's all right now. There are little things to get used to."

# LIBRARY



The library has a new location this year. A new librarian, Ms. Campbell from Eastview, now heads the library staff. The library itself can hold a hundred more students per period. Several hundred new books were purchased, not to mention new tables and chairs, and a comfortable couch. Windows are a part of the library, something the old one never had. A tree highlights the lofty roof, and a ceiling-to-floor bulletin board is also a new feature.

Ms. Campbell said of the change, "It's like moving from a Model T Ford to a Cadillac." However, when a junior was asked, she said, "It doesn't feel like home, yet."

# COLOR ME AN INDIVIDUAL

Student Government is an activity in which students learn leadership and responsibility skills. The Advisory Board members included Karen Hansen, Debi Spinker, Chris Canaday, Risé Jones, Jeff Abbott, Sara Marblestone, Jody Wood, Jenny Rakow, Karen Riggs, Tammy Schwartz, Rachel Kellenberger, and Jodi Glaser. Members of this years' Student Government participated in the S.A.D.D. (Student Against Drunk Driving). Student Government is greatly appreciated for the many events which they have sponsored throughout the year. The following is a list of these.

Student Government advertises for Spirit Week.

Presidential Classroom is an intense demanding, and thoroughly enjoyable week in Washington D.C. While attending the classroom, students become introduced to more than four hundred other students from all over the United States, several foreign countries, and the U.S. territories. It is an opportunity that is, unfortunately, overlooked by many students and parents. The reason for passing over this excellent opportunity seems to be between the cost of the trip or the lack of interest. The cost could be covered for some through scholarship which are offered and are easily attainable. As for lack of interest, Presidential classroom offers something for everyone.

Not only do students attend the classroom to learn about the functions of government and discuss critical issues, but also they make new friends, penpals and hear some different accents. This is definitely a rewarding experience.

The 1982-83 National Honors Society saw a large increase in numbers this fall. Into the ranks were initiated fifty-seven juniors and seniors who had maintained at least a 4.5 grade point average and who had received at least three teacher recommendations. The members from the past year held a fund-raiser to obtain money for the initiates' pins. One memorable field trip was to see the toe-tappin' *42nd Street*. Co-sponsors Mr. Caldwell and Mrs. Henrikson enjoyed working with the club's officers, led by president Mike Minehart, and found all the members enthusiastic and responsible to the club's goals.

Al Petterson and Marie Gorski proudly show off their trophies.

# FRENCH CLUB

The 1982-83 French Club was small, but effective. We entered a truck in the Homecoming Parade, we sold calendars, posters and t-shirts. We also participated in our annual picnic, which was led by advisor Mrs. Bald. President this year was Sally Huffer. Under her leadership we managed to raise enough money to award four seniors with a French Club Scholarship/ Award. Due to the continuing interest in French, Mrs. Bald foresees a strong future of participation.

# LATIN CLUB

Sarah and Cara display true Roman style at the Banquet.

Besides normal classroom activities this year, Latin Club was involved in three activities. These were the Festival on the Ides of March, a Roman picnic, and the annual Roman Banquet. Parents of the Latin students were invited to enjoy the Roman food and see their son or daughter in a toga. The former Latin students served as slaves. To raise money for these projects the students sold M&M's in February. Besides being an interesting and fun experience, these events teach the students a lot about the Roman culture and the Romans. Latin Club officers included; Consules: Sarah Freedlund and Cara Lewis; Praetores: Jon Monkemeyer and Greg Pierce; Scriptor: Rob Karsten, and Quaestors: Janet Waters and Kurt Powers. The Latin club teacher is Mr. Duffy.

# GERMAN CLUB

This year the German Club participated in many events, such as a field trip into Chicago and the annual German Exchange with students from Munich, Germany. Featuring a celebration of the Germanic heritage with Austrian music and dancing, a picnic was held in the spring at Blackhawk Forest Preserve. Candy and advent calenders were sold to help defray expenses for these events.

Mr. Ottinger, the sponsor, would like to continue with these activities and increase participation in the German exchange program. Winner of the German Club scholarship was Lisa Stennes.

# GERMAN EXCHANGE

Between March 26 and April 16, Larkin hosted a company of ten German exchange students from Vater-Stetten. At this time, the German students participated in many activities such as an all-American roller-skating party on April 5, an April 11 field trip to the House on the Rock in Wisconsin, and an April 14th pot-luck farewell held in the school commons. We hope they enjoyed their trip here and we were pleased to have them.

# DRAMA CLUB

This year the Drama Club was headed once again by Mrs. Powell. In the fall, they attended a workshop at Northern Illinois University. During the Christmas holidays, they sold Christmas tree ornaments to raise money for the scholarship given to a senior. Then, in April, they put on an excellent version of *Finian's Rainbow*. This year's officers were President, Carman Vogt; Vice President, Sally Huffer; Treasurer, Cris Garza. All in all, it was a fun and profitable year.

# SKI CLUB

The Larkin Ski Club is composed of students from each of the four grades. There isn't an elected or appointed leader; but under the guidance and supervision of Gary Newton, the club gives students a chance to go skiing at nearby resorts such as Devil's Head, Wilmot, and Alpine Valley. This past year, two trips were taken to Wilmot Mountain and one trip to Devil's Head with a total of approximately 120 students participating.

# CREATIVE WRITING

All during this year, the Creative Writing class has been hard at work learning about different styles of verbal expression. Led by Ms. Totaro, poetry, short stories, and prose were written and critiqued. The end result was the annual literary magazine published in May with the appropriate title, *Open Mind, Insert Thoughts.*

Larkin's newspaper, the *Loyal Royal*, highlighted the many changes in our surroundings this year. The reporters covered the construction of the new library, the added band room, and the additional classrooms.

The *Loyal Royal* staff consisted of eight freshmen, three sophomores, one junior, and three seniors — one of whom was Kay Follis, the editor.

The staff was closely supervised by Betsy Powell, who spent her time trying to keep the staff on schedule. She is looking forward to another productive year next fall.

This year there were forty-one string players for orchestra. Mr. Patterson the director, was very pleased with them since this was the first year all four classes were together. Although other schools separate their orchestras into upperclassmen and lower classmen, Larkin did not because Mr. Patterson felt that it may be discouraging for underclassmen.

Performances for the orchestra included fall and spring concerts, the Fox Valley music festival, the All-state auditions and the background music for *Finian's Rainbow,* the spring musical.

The students who participate in the jazz band learn skills in jazz interpretation, principles of improvement and group cooperation. There is a lot of emphasis placed on the importance of the individuals within the group because there is only one person to a part. This year the jazz band participated in the Eastern Illinois University Jazz Festival.

Students from both the varsity and concert programs participated in the pep band this year. This made the average attendance for each game 45-50 band students. The pep band participated in all of the home basketball games and pep assemblies.

Concert and Varsity bands allow students to express themselves through musical performance, individual discipline, group cooperation, and pride. Several concert band students were chosen for the Fox Valley Musical Festival Band and Orchestra. The bands participated in the Elgin Memorial Day Parade, and the Christmas, Winter, and Spring Band concerts. The officers of the varsity bands were President Kurt Rich; Vice President — Scott Sawlis; and Secretary/Treasurer — Patty Abplanalp.

Both concert and Varsity bands made great progress throughout the year in musical maturity and sensitivity according to Mr. Henning, Conductor.

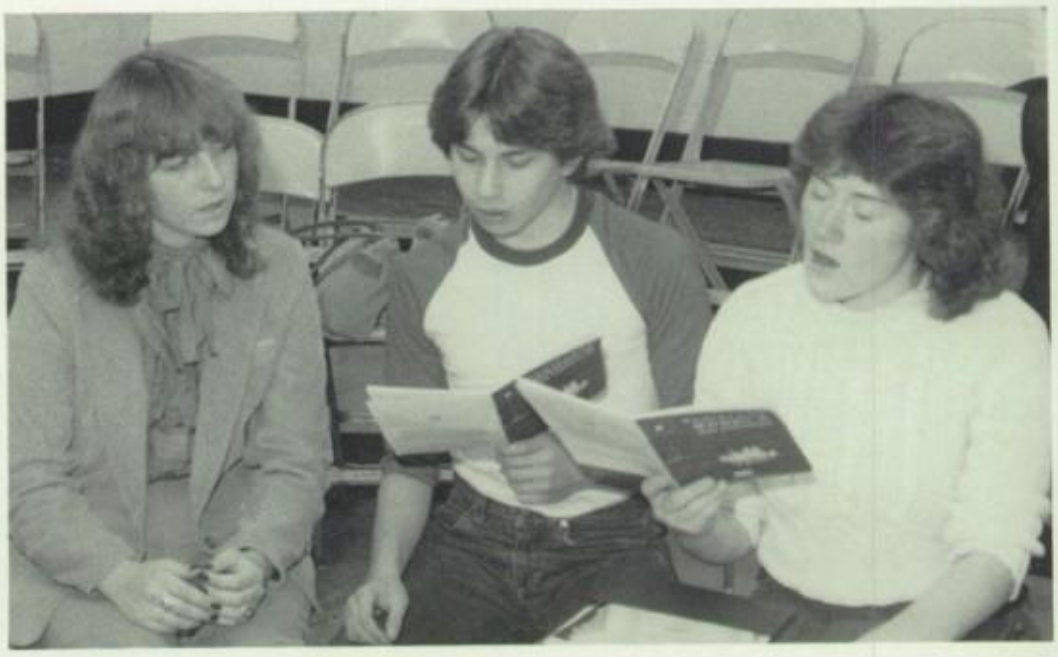
Tenor Dan Jamsa studies his latest arrangement.

The Madrigal Singers are seventeen of Larkin's best singers who dress in Renaissance clothing and sing madrigal songs. The students include Amy Brownell, Jeff Cargill, Margaret Cargill, Dario Guerra, Valerie Heneise, Mary Holder, Don Israel, Dan Jamsa, Jenny Jaskula, Tammy Jensen, Jeff Kline, Karla Loehr, Sally Meyer, Al Petterson, Bob Steffen, Terrie Swartz, and Steve Wells. These students were chosen by auditions which were held at the end of the previous school year.

The Madrigals were very busy this past year. They performed at many community gatherings and various contests. This year they took a superior at All-State and was one of the five elite groups invited to Allerton this past winter.



Tammy Jensen, Dario Guerra, and Margaret Cargill harmonize together.

There were approximately 150 students enrolled in the Choral Department this past year. These students were enrolled in four different courses: Concert Choir, Freshmen Mixed Chorus, Madrigals, and the Choristers.

Directed by Mr. Larry Phillips and his assistant teacher Mr. Oleson, these students were engaged in quite a few activities. These activities included concerts, competitions, and participation in the musical *Finian's Rainbow*.

# CERULEAN

"There's a pot of gold at the end of every rainbow." So hopes every freshman who enters the building. The gold, of course, being graduation. The theme of this year's book seems appropriate, as we added another band of color to the rainbow and another class to our ranks.

Although it's impossible to capture everyone's memories of the past year, we've shown a panarama, or a slice of color. Hopefully, you're part of the spectrum.

# POMS

Seniors Valencia Graves, Tracy Gaylord, Crisann Lamp, Carrie Pienkowski and Anne Roberts helped to make this year's Pom squad one of the most cooperative groups of girls with whom Mrs. Rivera has ever worked.

The girls worked hard, as illustrated in the Homecoming routine to the song, "Pacman Fever." Larkin is proud of the fine squads it has had over the years; this one was no exception.

# Varsity Gives Fans a Thrilling Season

Kirk Abbott hands off to Pat "Boobie" Davidson.

Larkin's varsity football team turned in a respectable finish with an overall record of 5-4 and 4-3 in conference competition. The team was led by all-conference participants on the defense of John Haas and Mike Austin and on the offense of Ken Harris and Greg Settanni Conference competition was tough this year, and Larkin was still in the running for championship up until the last week of the season. Their Upstate Eight Conference record (5-1-1) brought them back on top of the conference and made them the Upstate Champs. On reviewing the year, Coach Schabert said, "This team played with great intensity all year long. They always came ready to play and to hit." The team felt their most memorable win was against West Aurora who had been undefeated in conference.

# "Smashing" Tennis Season

Krista Strohmaier, Anne Roberts, and Nancy Schroeder qualified for the state competition this year. The strength of the team was due to the depth of the lower positions of the line-up. When the girls at the top positions had tough matches, the bottom positions won dual matches for Larkin. The most memorable match was against West Aurora when Jenny Emmert and Traci Auble won the conference championship at the doubles position.

The boys' varsity tennis team won their first invitational championship in four years. The strength of the team was based on the individual game improvement of the players. Mike Beckley and Kyle Pederson were state qualifiers, and Dan Verbic received MVP honors. Lack of consistency became the weakness of the '83 team and hurt the overall season record.

# Girls' Basketball Sets Shot

Three year All-Conference player Nena Nosbisch and senior Karol Krogh both had a great season. The team had balanced scoring and the players learned much throughout the year, which meant they learned what it takes to win ball games. Beating Elgin at home was a big win for the girls, but due to lack of confidence and concentration, their record was not as good as in past years. Mary Kay Kinsinger, Dawn Reh, and Traci Utt, all starters, will be strong next year.

Anna Gilbert has plenty of reason to smile since she was the only freshman on the varsity team.

Using the slogan, "You got to hit to win — so go for it!", the gymnastics team had an excellent season, breaking numerous school records. Shari Kramer broke the school record on floor exercise and uneven bars. Due to her consistent fine performances during the year, she was selected to participate in sectional competition. Boys' gymnastics struggled through a year of ups and downs with 4 wins and 6 losses. Steve Barclay, a four year varsity letter winner, was chosen most improved gymnast by his teammates. He also helped break numerous school record and made it to sectionals. John Zimmerman, another four year varsity letter winner, helped break the record of parallel bars by scoring 7.1. For his efforts he was voted most valuable team member. The boys' most memorable meet came against Lake Park when they broke LHS's four year old school team scoring record with a score of 119.58. Sectional qualifier Mike Austin sticks his competition.

Senior Jay Jarka throws in the half-nelson.

With only five returning participants the girls' track team finished the season with an 0-7 record. There were several people competing in their first year of track. Most of them improved their times and distances. Coach Gannon is looking forward to a good year in '84.

Intensity is shown on the face of senior Corine Cohen.

Anne Roberts displays determination.

Sarah Freedlund releases the shotput.

Lisa Smith leads her teammates around the track during practice.

Lisa Smith explains the hurdles to Anne.

And they're off!

State qualifier Doug Womack runs through his specialty.

Shawn White and Chris Kovfist take the hurdles in stride.

Tom Isreal runs the distance for Larkin.

Casey Caul skims over the high jump.

The 1983 track team was not large, but awesome. Rodney Ezell broke the school record for the triple jump which enabled him to compete in the state competition. Doug Womack also qualified for state competition in the low and high hurdles. Other outstanding participants were Tom Israel and Art Saenz on this small but enthusiastic track team.

Catcher Carol Harris is determined to get that third out.

J.V. pitcher Dawn Alvine is backed up by a great defense.

Dianne Pozezinski and Michele Wetzel model the new uniforms.

The strength of the 1983 girls' varsity softball team was the players' ability to play more than one position and the hitting of the team. In fact, they were the best hitting team Larkin has had in the past five years. All conference player Chris Garrelts was the leading batter on the team and was helped by other senior teammates Vicki Vuyk, Michele Wetzel, and Kris Peterson.

Unpredictable spring weather led to many of the losses, and the team had an ending record of 11-10 to put them in a fourth place finish in the conference. Coach Robarts should be looking forward to a winning season next spring with nine returning lettermen and the members of the conference champion J.V. team moving up.

# ATHLETIC WINNERS

This page is dedicated to our outstanding athletes. The 1983 winners are Bart Ericson, recipient of the National Scholar / Athletic award, and Cindy Henryson, recipient of the Prep All-American Girl Athlete Award. Bart participated in football and wrestling during his high-school career, going downstate to the 1983 wrestling finals. Cindy participated in bowling and softball for four years each, and was a three-year letter winner in volleyball. She also accepted a full scholarship to Ohio State University for her volleyball expertise. The Athletic Department and the entire school congratulate them.

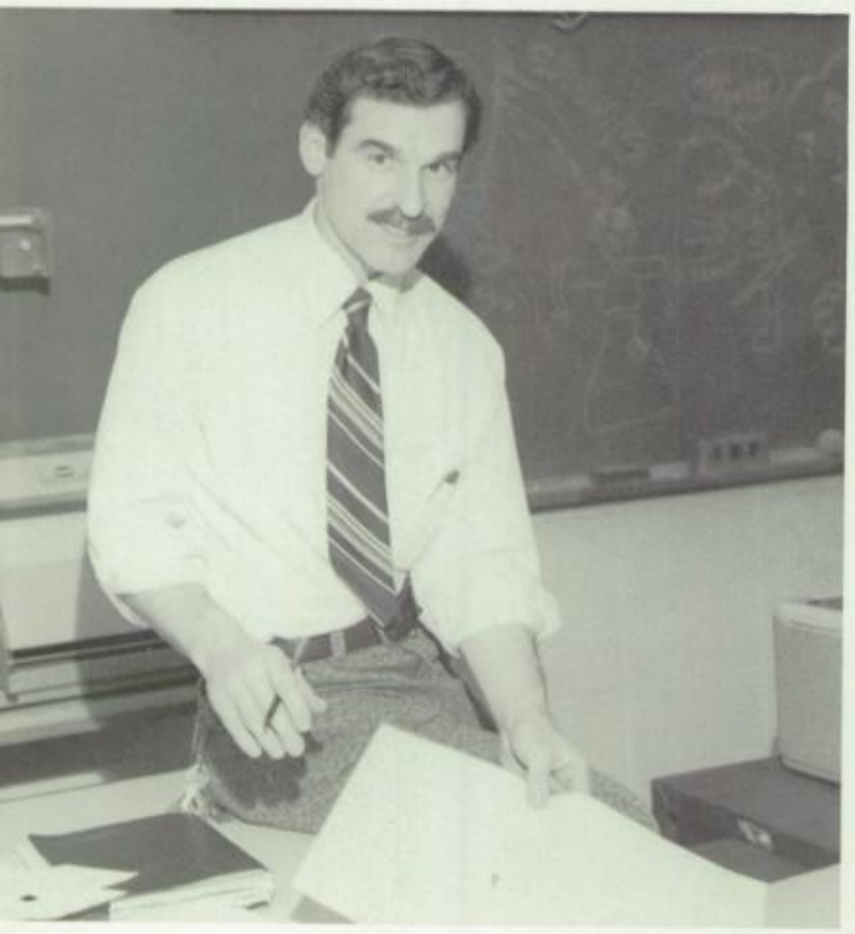
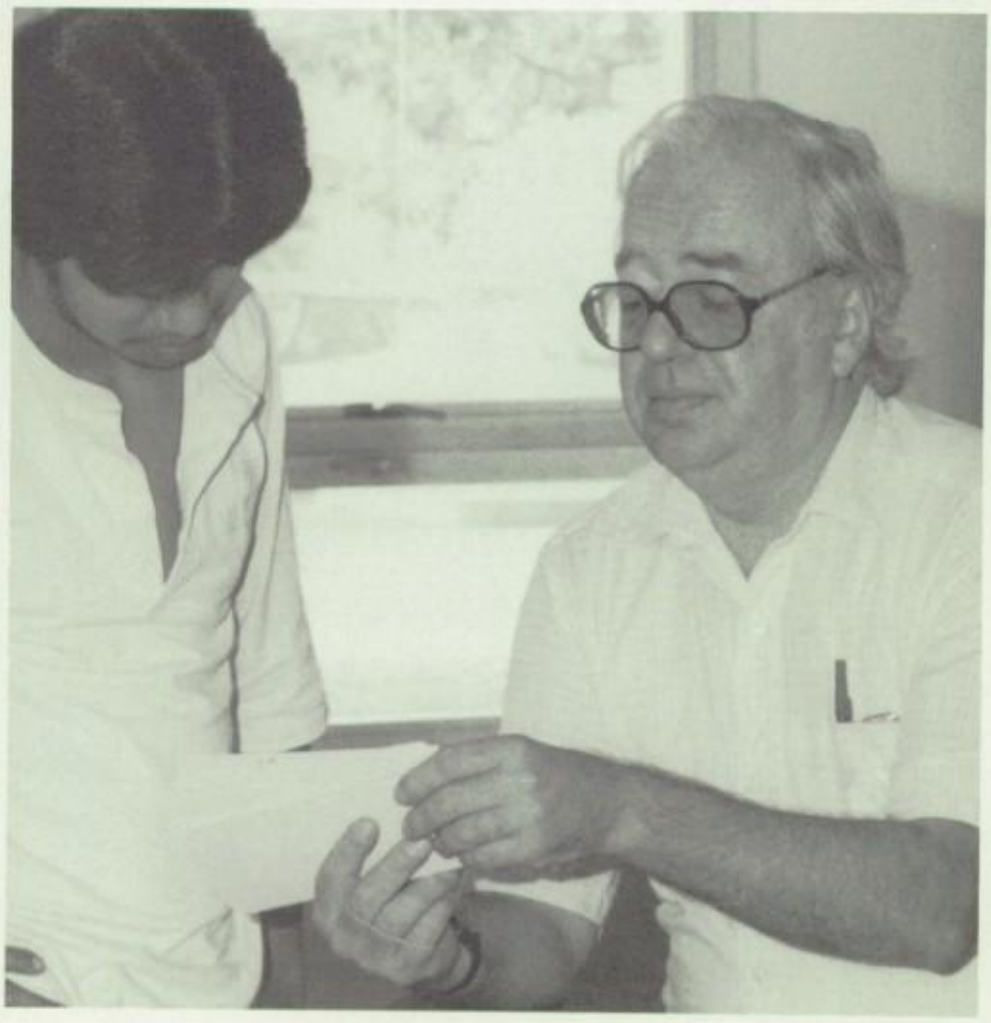
"I'm not ready for this."



Mr. Smith is always giving his work to someone else.

"You're sure you don't want to hear this? It's a really great joke."

"Then little Red Riding Hood went deep into the forest."



Mr. Haskins can't quite figure out attendance cards this early in the morning.

IN REMEMBRANCE OF ALAN JAYNES

The battle was fought, the war was won
On a chilly April night,
No more suffering, no more pain
This was the end of Alan's plight.

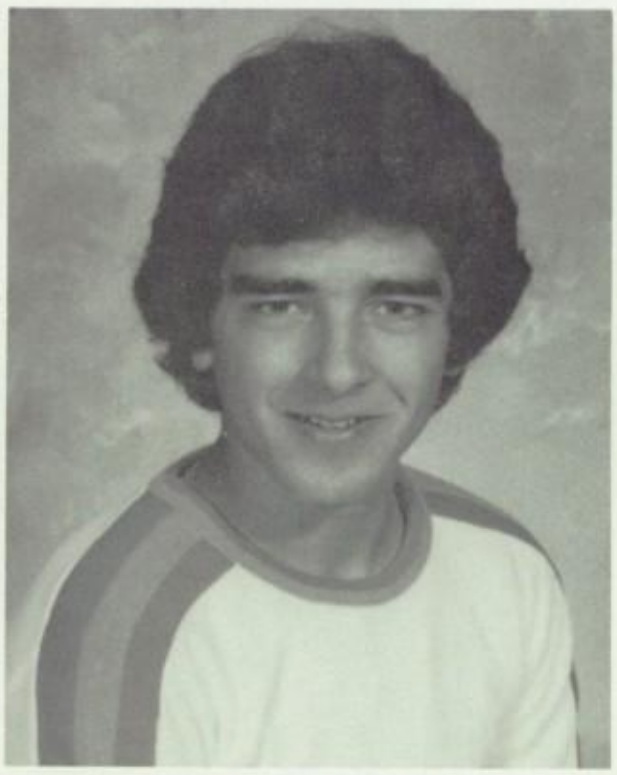
While Alan was alive
He touched the hearts of many,
And now that he is gone
His memories can be shared by many.

His death affected me in many ways
Disappointment, pain, anger, and grief,
Even in his last few moments
His courage was truly beyond belief.

Wanting to live, but willing to die
Upon white angel wings he longed to fly,
On the other side of those Pearly Gates
Watching for us, he patiently waits.

The way Alan died
Should be an inspiration to all,
To never give up hope
Before your spirit is called.

By Dawna Davis



Alan Jaynes 1965-1983

John Ginnell
1964-1982

There were many contributions made in memory of John Ginnell. We wish to thank Paul Schultz, Dave Martens, Jó Haberstitch, Dan Keller, Jay Rable, Dave Jarrette, and Mrs. Molly Landfear. Perhaps Tip Hunt best expressed everyone's sentiments upon the untimely death of John.

I first met him early in September of 1976.
I was the new kid but John has a special carefree way.
He was the first friend I made at my new school.
We grew older together, wiser together.
We experienced a lot of "firsts" together.
We just plain stuck together . . . he was worth stickin' to.
Without a shadow of a doubt, he was the most happy-go-lucky guy I've ever known.
John was one of a kind and no one man could ever fill his shoes . . . or ever will.
I learned a lot of things from him and through him.
Things no book or school can ever teach.
He was a brother to me; a good brother.
I loved John Ginnell.
I will never forget him.

At this time we would also like to remember Bob Strahl who is still a part of the class of '83 but who cannot join our graduation. We hope that Bob will remember us all as his dear friends and classmates and can someday join us in our future Larkin reunions.

Most Preppy — Dan Schuring, Leslie Craig

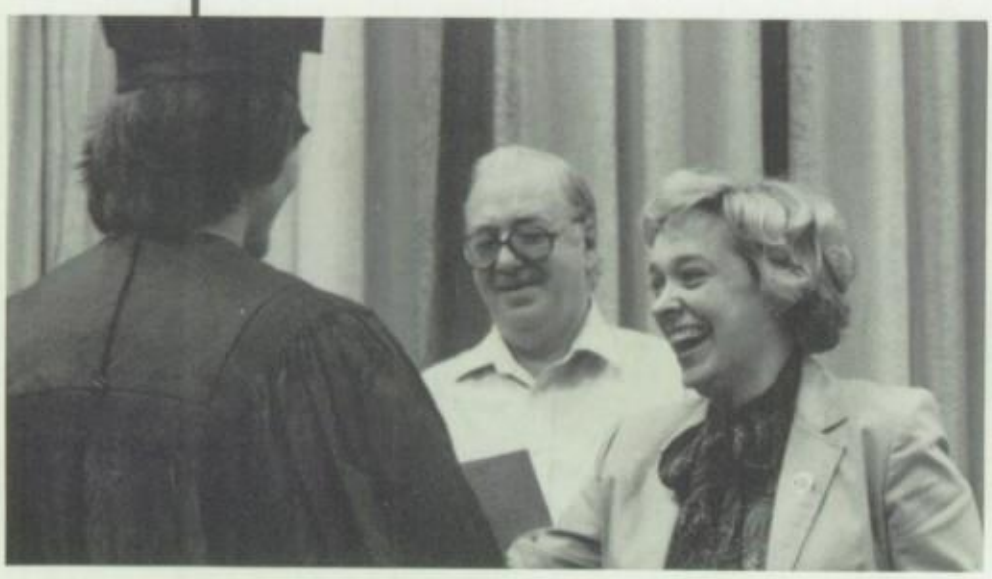
Cutest Couple — Bart Ericson, Kristy Jensen

Class Clown — Jon Canaday

# SENIOR RECOGNITION

Tuesday, May 24 marked the Senior Recognition assembly. More than two thousand people looked down on a sea of caps and gowns. One by one, deserving members of the class were called out to receive their awards. Scholarships, plaques, and letters were handed out amid the applause of friends and relatives. Fittingly, all involved students received recognition for their achievements throughout the years.

Valedictorian Marie Gorski shows off her plaque.



Butch Wilhelmi receives his award from Mrs. Powell.

Mr. Hofstetter presents Al Petterson with the mathematics award.

Here are some of the lucky winners.

Dr. Pennoyer unveils the 1983 Cerulean.

# NATIONAL MEMORIES

This has been a year of events that have changed us in many ways. Some of these happenings have occurred close to us; some, far away. But they all affected us in ways that made them important. Around us, change occurred. An artificial heart was successfully placed in Barney Clark. Cyanide-laced aspirin scared the nation from Tylenol. The year has brought many changes to us, and we will remember the year for these changes.

M*A*S*H ended an 11-season run on TV.

Coaching great Bear Bryant died.

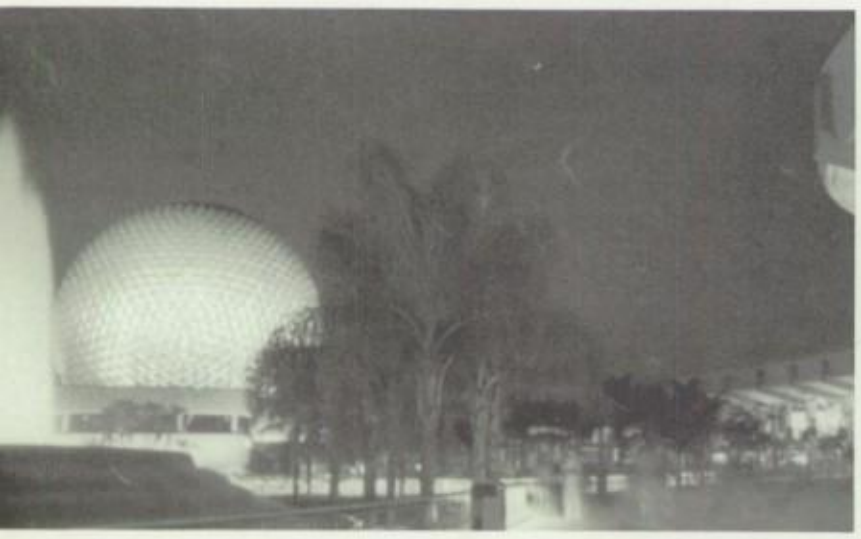
All mourned the death of Premier Leonid Brezhnev.

Joeseph Bernadin became Cardinal Bernadin, replacing Cardinal Cody.

Harold Washington became Chicago's first black mayor.

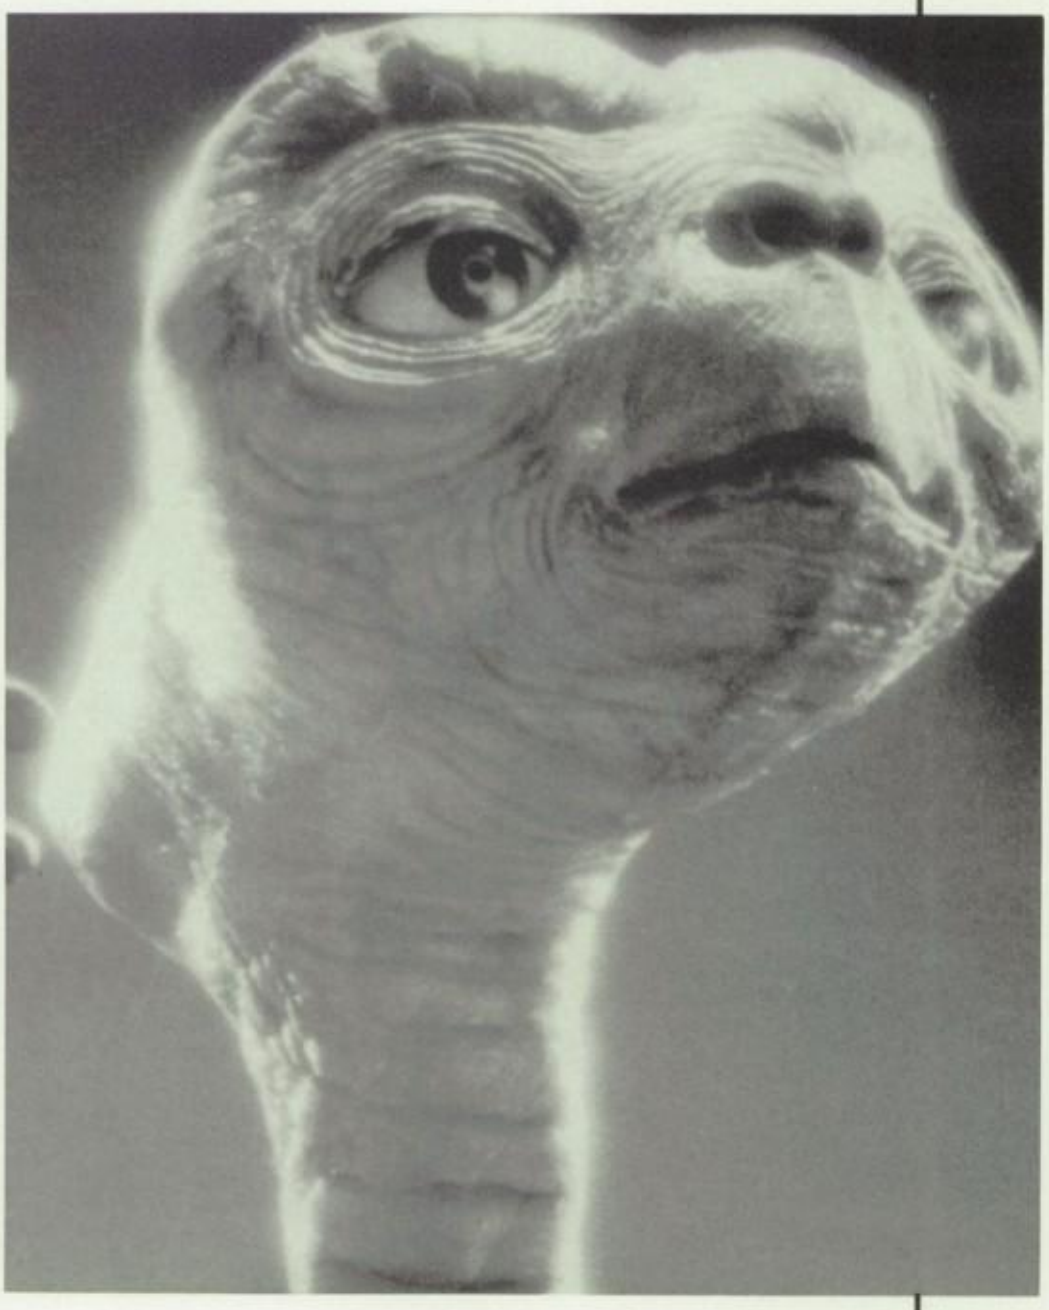
Prince Charles' and Princess Diana's first baby, William.

Tootsie.



Epcot Center opened in the fall, drawing countless tourists.

Seven people died from cyanide-laced Tylenol.



Millions fell in love with E.T.

# ACKNOWLEDGEMENTS

Special Thanks To:

Morris Ferensen — for, without his help, this book would never get off the ground.

The Staff — for all their wit and support throughout the year.

Mrs. Wieg — who put up with our problems and tempers.

Tim Vaulato — who designed our cover.

Mrs. Powell — for the use of her desk.
